Call to Order and Welcome

The meeting of the Judicial Council of Georgia (Council) was called to order at 10:00 a.m. by Chief Justice Melton. Members and designees² identified themselves for the purposes of roll call, followed by staff and guests.

Adoption of Minutes – August 23, 2019

Chief Justice Melton directed the Council’s attention to the minutes of the August 23, 2019, meeting. He noted one necessary amendment, to add Vice Chief Judge McMillian’s name at the bottom of page one to the list of new members sworn in. A motion to approve the minutes as amended was offered by Presiding Justice Nahmias, followed by a second from Judge Scales. No discussion was offered, and the motion was approved without opposition.

Special Presentation

Chief Justice Melton introduced Mr. David Allen, Chief Information Security Officer with the Georgia Technology Authority, to speak to the Council. Mr. Allen shared the state’s three-pronged, long-view cybersecurity strategy: improvement of cybersecurity on state networks; enabling a cyber-ready workforce; and, establishing and maintaining partnerships. He noted that his invitation to speak to the Council is an example of these partnerships. In conclusion, Chief Justice Melton presented Mr. Allen with a certificate of appreciation for his collaboration and work to support the JC/AOC in the aftermath of the June 2019 cyberattack.

Committee Reports

Technology Committee. Chief Justice Melton presented amendments to the *Statewide Minimum Rules and Standards for Electronic Filing*. The first amendment, to Rule 11, replaces the word “acceptance” with “receipt,” and was approved without opposition. The second amendment, to Rule 2(b), adds subparagraphs (6) & (7), to require electronic filing service providers to participate in the Georgia Judicial Gateway Single Sign-On. Judge McBurney offered an amendment to fix a typo, and Justice Nahmias offered an amendment to replace “supra” with “above” for consistency purposes. The amendment was approved as amended without opposition. Mr. Sutton and Judge McBurney shared feedback regarding the rules; Chief Justice Melton asked that they send all questions and feedback to him.

Cybersecurity Insurance Committee. Judge Christian Coomer referred to the written report provided in the materials. He highlighted the organizational map of judicial branch agencies as a useful tool and encouraged everyone to reference it.

Sexual Harassment Prevention Committee. Justice Sarah Warren presented the Ad Hoc Committee on Sexual Harassment in the Judicial Branch of Government’s report and recommendations. The Committee also developed a 30-minute training video, in partnership with the Georgia Department of Administrative Services, that will be available for all judges and

court personnel. A clip of the video was shown to the Council. Among the Committee's recommendations are education and training and implementing or updating anti-harassment policies. A motion to adopt the Committee's report and recommendations was made by Justice Nahmias, with a second by Judge Scales. The motion was approved without opposition. Chief Justice Melton thanked Justice Warren and the Committee for their work on this important issue.

Judicial Workload Assessment Committee. Judge Emerson provided a recap of the Council's action at the August 23, 2019, meeting to table the proposed amendments to the *Judicial Council Policy on Superior Court Judgeships and Circuit Boundary Studies*, which included a provision in response to questions received from the General Assembly regarding a process for recommending the elimination of judgeship positions. Since that time, input and feedback have been received which resulted in a new recommendation to add Section 2.2.(5) to the Policy, providing a five-year implementation window. Chief Justice Melton stated the proposed language had been fully vetted. Judge Amero asked for clarification on the final language, as the printed materials did not reflect the redline version that had been distributed electronically a week prior to the meeting. Mr. Hansard stated that all instances of "removal" would be changed to "reduction." The amendment was approved without opposition, and Chief Justice Melton stated the final version would be circulated.

Chief Justice Melton called for a break at 11:04 a.m.; the meeting reconvened at 11:17 a.m.

Legislation Committee. Presiding Justice Nahmias reported that the Committee met on November 20 to continue preparing for the 2020 session. An updated draft of the previously acted upon item to update and modernize the Court Reporting Act and related statutes was presented. The newest draft includes additional clarifying changes and additional related statutes. Vice Chief Judge McMillian was recognized to speak to this item. She highlighted the revisions to the changes proposed in OCGA § 17-5-55 and noted the addition of OCGA § 15-14-6, specifically the elimination of the contingent expense allowance for court reporters working in single-county circuits. Judge LaGrua voiced the Council of Superior Court Judges' concern about eliminating the contingent expense. Chief Justice Melton recognized the committee report as a motion to reaffirm the Council's support of this item; Chief Judge McFadden offered a second. Judge Amero offered an amendment to remove the strikethrough at line 354 of the current draft, to remove the elimination of the contingent expense in single-county circuits. Presiding Justice Nahmias voiced his opposition to the amendment, stating the inclusion of the

recommendation in the *Judicial Council Policies and Fees for Court Reporting Services in Criminal Cases* and that the Committee is unaware of provisions in state government that allows for per diem to travel from home to place of work. A second was offered by Judge Jackson, and the amendment was adopted with one dissent (Presiding Justice Nahmias). Judge LaGrua inquired as to whether there will be a delayed implementation date; Justice Nahmias confirmed that is the intent and reminded the Council that it is the concept that is supported, not exact language. The motion to approve, as amended, carried without opposition.

Strategic Plan Committee. Judge Doyle presented the proposed strategic plan for FY 2020 – FY 2022 to the Council. In addition to continuing the existing three strategic objectives from the previous plan, the proposal includes a new strategic objective to “promote the wellbeing, health, and integrity of the judiciary.” The Chief Justice recognized the Committee report as a motion to approve; a second was offered by Judge LaGrua, and the strategic plan was adopted without opposition.

Court Reporting Matters Committee. Vice Chief Judge McMillian referred members to the written report provided in the materials.

Report from the Judicial Council/AOC

Ms. Clanton delivered a report on the recent work of the Judicial Council/AOC. She spoke to the annual caseload reporting process scheduled to begin in January, several recent publications, recent events and activities coordinated through the Communications, Children Families, and the Courts Division, and various staff updates. Ms. Clanton closed her remarks by stating the AOC’s role as a service agency to the judiciary and thanked the Council for its support.

Reports from Appellate Courts and Trial Court Councils

Supreme Court. Chief Justice Melton supplemented his written report with remarks, including the Court’s move to the new Nathan Deal Judicial Center the following week. The Chief Justice also recognized Justice Robert Benham’s announcement that he will be resigning effective March 1, 2020, and called Justice Benham a pioneer and a legend. The Chief Justice asked everyone to remember the friends who were lost this year and encouraged everyone to continue working together on behalf of the judiciary.

Court of Appeals. Chief Judge McFadden reported that the Court will hear its last oral arguments in the current building the following week. He also recognized the loss of Judge Goss this year.

Council of Superior Court Judges. Judge LaGrua referred members to the written report provided in the materials. She expressed appreciation to Judge Emerson and Mr. Hansard for their work on the amendments to the judgeship policy, to the members of her council for their participation in the process, and to Chief Justice Melton and Justice Bethel for their work and collaboration.

I. EXECUTIVE SUMMARY

There will be a Called Meeting of the ICJE Board of Trustees (via phone conference) on Monday, February 10, 2020, at 12 Noon (EST) for the purpose of considering proposed revisions to the ICJE By-Laws.

Hon. Bonnie Chessher Oliver, ICJE Board Chair, has scheduled this Called Meeting for two reasons: (1) The version of the proposed revisions to the ICJE By-Laws unanimously approved by the ICJE Board on January 24, 2020, contains inadvertent scrivener's errors; and, (2) Delaying action until the next regularly scheduled Board meeting (Friday, March 27, 2020) would prevent the proposed ICJE By-Laws revisions from being presented to the next Judicial Council meeting on Friday, February 14, 2020. This Called Meeting is set pursuant to Article V, Meetings, Section 1, of the current ICJE By-Laws.

II. PURPOSE OF CALLED MEETING/ACTION REQUESTED

The purpose of the February 10, 2020, Called ICJE Board Meeting is consideration of the proposed revisions to the ICJE By-Laws. The action requested is an affirmative vote of the Board supporting the proposed revisions to the existing ICJE By-Laws, and authorizing the ICJE Executive Director to present the proposed revisions to the Judicial Council of Georgia on February 14, 2020.

III. CURRENT ICJE BY-LAWS (EFFECTIVE JANUARY 1, 2012) ARE ATTACHED

The current ICJE By-Laws, effective January 1, 2012, are attached for reference.

IV. PROPOSED REVISIONS TO ICJE BY-LAWS ARE ATTACHED

Proposed revisions to the current ICJE By-Laws are attached for reference.

V. SUMMARY – CONTENT AND PURPOSE OF PROPOSED REVISIONS.

For the full content of proposed revisions, please review the attached proposed revised By-Laws – here is a *summary* of proposed revisions:

A. Proposed Revisions - Global Changes: 25 of the proposed revisions are offered for the purpose of making the ICJE By-Laws gender neutral. For example, the current term "Chairman" would be amended to "Chairperson". These changes are found as indicated throughout the proposed revisions to the By-Laws.

B. Proposed Revision To Article II – Membership, Section 3: The proposed revision deletes the specific reference to a calendar year, in this case, 1979.

C. Proposed Revision To Article II – Membership, Section 5: The proposed revision changes the description of the Supreme Court Liaison to the ICJE Board from "member" to "Justice".

D. Proposed Revision To Article III – Officers And Their Duties, Section 2: The proposed revision corrects an inadvertent grammatical error, replacing the current word "of" with the new word "or".

E. Proposed Revisions To Article III – Officers And Their Duties, Section 3: These proposed revisions reflect proposed policy changes regarding: (i) who may serve as Vice-Chairperson of the Board; and, (ii) provide that an Ex-Officio member who serves as Vice-Chairperson shall have full voting rights. The purpose of the proposed policy changes are to better provide for permanent representation among the leadership positions of the ICJE Board for the respective Deans of Georgia's law schools.

VI. PROTOCOL FOR CONSIDERATION OF REVISIONS TO ICJE BY-LAWS

ICJE exists by Order of the Supreme Court of Georgia, and the Supreme Court retains the inherent authority to amend ICJE By-Laws upon its own recommendation and/or motion. Subject to the inherent authority of the Supreme Court, the consideration of proposed revisions to ICJE By-Laws may include a three-step process: (1) Consideration by the ICJE Board of Trustees; (2) Consideration by the Judicial Council of Georgia; and, (3) Consideration by the Supreme Court of Georgia.

VII. BRIEF HISTORY OF ICJE BY-LAWS

The Supreme Court of Georgia entered an Order dated June 19, 1978, directing the Judicial Council of Georgia to file proposed By-Laws for the organization and government of the Institute of Continuing Judicial Education of Georgia. The Judicial Council responded to the Order by promulgating and filing proposed By-Laws with the Supreme Court of Georgia. On January 26, 1979, the Supreme Court of Georgia entered an Order creating the Institute of Continuing Judicial Education, including the adoption of By-Laws attached to the Order. There have been subsequent revisions to the ICJE By-Laws. The last revisions to the ICJE By-Laws were pursuant to an Order of the Supreme Court of Georgia entered on November 3, 2011, providing for an effective date of January 1, 2012, for the current ICJE By-Laws.

RE: Committee Report

DATE: January 31, 2020

The following information provides the status of each item that the Judicial Council has taken a position of support on for the 2020 legislative session, as of January 31, 2020. Any updates will be reported at the Judicial Council meeting on February 14, 2020.

- I. Update and Modernize the Court Reporting Act and related statutes**
Judicial Council
OCGA Titles 5; 9; 15; 17
Status: No legislation filed.

- II. Bond in misdemeanor family violence cases**
Council of Magistrate Court Judges
OCGA § 17-6-1
Status: No legislation filed.

III. Uniform Mediation Act
Georgia Commission on Dispute Resolution

OCGA § 17-6-1

Status: No legislation filed.

The Committee met by teleconference on Friday, January 24, 2020, and voted to take a position of support on the following item on behalf of the Judicial Council:

Gross and net settlement defined
Council of State Court Judges/Judicial Council
OCGA § 29-3-3

Recommendation: The Standing Committee on Legislation recommends the Judicial Council support legislation to clarify the meaning of “gross settlement” and define “net settlement” when the appointment of a conservator for a minor is required. *(Draft language and information attached)*

Council/Organization: Council of State Court Judges

Subject Matter: When Appointment of Conservator in Settlement Required

Code Section(s): O.C.G.A. § 29-3-3

1. Overview: Describe the proposal/legislation and its purpose.

Confusion still exists what is a “gross” or “net” settlement involving a minor to determine when a conservator is required to be appointed. The purpose of this proposed legislation is to clarify the meaning of “gross” and “net” settlement.

2. Priority: Is this legislation of high, medium or low importance to your council?

This legislation has medium importance to our Council. However, it affects other councils as well.

3. Stakeholders & Constituents:

- a. Describe the constituent and stakeholder groups that may be affected by this proposal (e.g., executive branch, other governmental entities, other agencies).
- b. Which are likely to support this request?
- c. Which are likely to oppose this request?
- d. Which have not voiced support or opposition?

This legislation affects courts that approves settlements of claims that involve a minor. Ex. Personal injury cases from an automobile accident. Some settlements do not require the appointment of a conservator, but allow the natural guardian to manage the funds for the minor. Other settlements of a substantial amount (more than \$15,000) require that a conservator be appointed for the minor.

The probate courts handle much of the conservator appointments, but the types of settlements can arise from state and superior court cases. Both Councils of the Probate and Superior Courts support this effort for clarification.

At this time we are unaware of any group that would oppose this request.

4. Supporting data: Summarize any supporting data, evaluations, and/or research for this request.

- 5. Additional impact:** Will this request require a constitutional amendment or new court rule? Explain why the purpose of the bill cannot be achieved without legislation, if applicable.

Not that we are aware of at this time.

- 6. Budget:** Will this legislation have a fiscal impact on the state? If yes, what is the projected expense? Has a White Paper been submitted to the Judicial Council Standing Committee on Budget (if applicable)? Will this legislation have a fiscal impact on counties or municipalities?

There is no fiscal impact on the state.

- 7. Other Factors:** Discuss any other relevant factors that should be considered, including experience in other states or whether similar legislation has been introduced in the past.

DRAFT

Section 29-3-3. "Gross ~~and net~~ settlement" defined; compromise of claim; finality of settlement

(a) For purposes of this Code section, the term "gross settlement" means the present value of all amounts paid or to be paid in settlement of the claim, including cash, medical expenses, expenses of litigation, attorney's fees, and any amounts paid to purchase an annuity or other similar financial arrangement. Gross settlement includes the total amount paid or to be paid on behalf of all settling parties.

(b) The term "net settlement" means the gross settlement reduced by the following:

(1) Attorney's fees, expenses of litigation, and medical expenses which are to be paid from the settlement proceeds; and

(2) The present value of amounts to be received by the minor after reaching the age of majority.

~~(bc)~~ If the minor has a conservator, the only person who can compromise a minor's claim is the conservator.

~~(ed)~~ ~~Whether or not~~ Regardless of whether a legal action has been initiated, if the proposed gross settlement of a minor's claim is \$15,000.00 or less, the natural guardian of the minor may compromise the claim without becoming the conservator of the minor and without court approval. ~~The natural guardian must qualify as the conservator of the minor in order to receive payment of the settlement if necessary to comply with Code Section 29-3-1. The natural guardian must qualify as the conservator of the minor in order to receive payment of the settlement if necessary to comply with Code Section 29-3-1.~~

~~(de)~~ ~~If no~~ Regardless of whether legal action has been initiated, ~~and if~~ the proposed gross settlement of a minor's claim is more than \$15,000.00, the settlement must be submitted for approval to the Probate court.

~~(ef)~~ If legal action has been initiated and the proposed gross settlement of a minor's claim is more than \$15,000.00, the ~~settlement must be submitted for approval to the conservator must seek approval from~~ the court in which the action is pending. The natural guardian or conservator shall not be permitted to dismiss the action and present the settlement to the Probate court for approval without the approval of the court in which the action is pending.

~~(fg)~~ If the proposed ~~gross gross~~ settlement of a minor's claim is more than \$15,000, but the net settlement is more than \$15,000.00, but the gross settlement reduced by:

~~(1) Attorney's fees, expenses of litigation, and medical expenses which shall be paid from the settlement proceeds; and~~

~~(2) The present value of amounts to be received by the minor after reaching the age of majority~~

DRAFT

is \$15,000.00 or less, the natural guardian may seek approval of the proposed settlement from the ~~appropriate court~~ in which the action is pending without becoming the conservator of the minor, ~~or from Probate court if there is no pending action. The natural guardian must qualify as the conservator of the minor in order to receive payment of the settlement if necessary to comply with Code Section 29-3-1. The natural guardian must qualify as the conservator of the minor in order to receive payment of the settlement if necessary to comply with Code Section 29-3-1.~~

(g~~h~~) If the proposed ~~net gross~~ settlement of a minor's claim ~~is more than \$15,000.00, but such gross settlement reduced by:~~

(1) ~~Attorney's fees, expenses of litigation, and medical expenses which shall be paid from the settlement proceeds; and~~

(2) ~~The present value of amounts to be received by the minor after reaching the age of majority~~

is more than \$15,000.00, the natural guardian may not seek approval of the proposed settlement from the ~~appropriate court~~ in which the action is pending without becoming the conservator of the minor.

(h~~i~~) If an order of approval is obtained from the Probate court, or a court in which the action is pending, based upon the best interest of the minor, the natural guardian or conservator shall be authorized to compromise any contested or doubtful claim in favor of the minor without receiving consideration for such compromise as a lump sum. Without limiting the foregoing, the compromise may be in exchange for an arrangement that defers receipt of part, not to exceed a total distribution of \$15,000.00 prior to a minor reaching the age of majority, or all of the consideration for the compromise until after the minor reaches the age of majority and may involve a structured settlement or creation of a trust on terms which the court approves.

(i~~j~~) Any settlement entered consistent with the provisions of this Code section shall be final and binding upon all parties, including the minor.

(k) It is within the discretion of the court in which the action is pending to hold a hearing to inquire into compliance with the requirements of this section, but a hearing is not required if compliance with the requirements is evident from the record.

RE: Ad Hoc Committee on Cybersecurity Insurance for the Judiciary

DATE: January 28, 2020

January 28, 2020, the Ad Hoc Committee on Cybersecurity Insurance for the Judiciary held its third meeting.

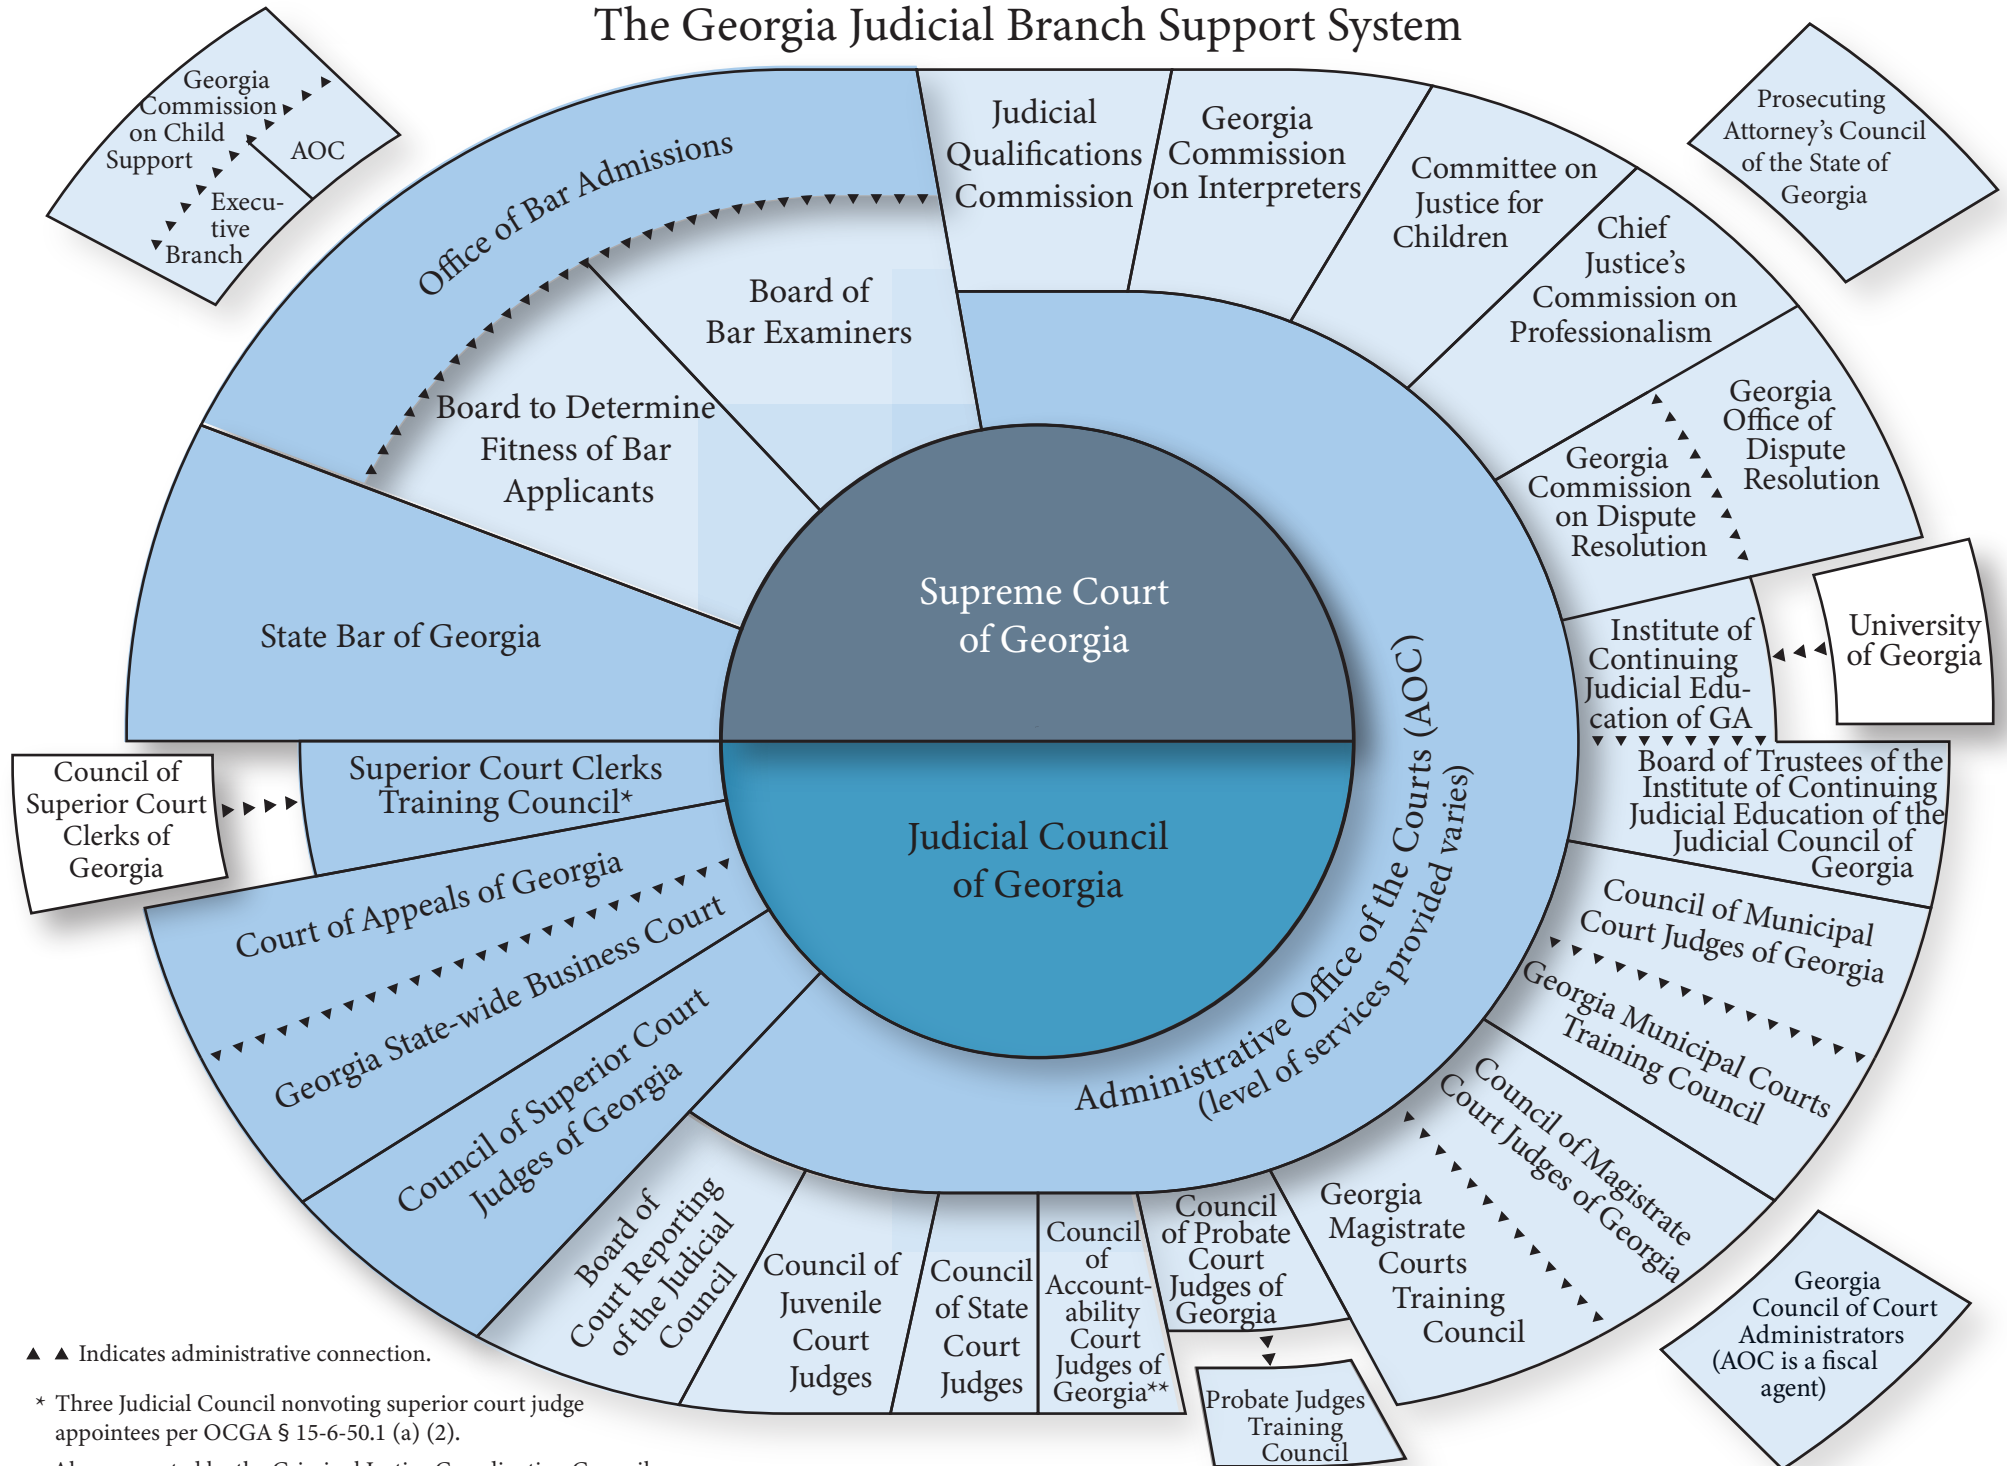

The Committee completed the following:

1. Updated the Organizational Map of all Judicial Agencies to note what entities need to be covered and included in a cybersecurity insurance policy. The attached organization chart was created by the Administrative Office of the Courts to identify all possible affiliated agencies attached to or supported by the Judicial Council of Georgia and/or the Administrative Office of the Courts.
2. Efforts to gather data necessary for the committee to make recommendations have been managed by Darron Enns at the AOC, including his work to identify the 32 agencies in issue and determining the various levels of interconnectivity and safeguards that exist within that set of entities. Additionally, the task of assimilating that sensitive, technical information into a digestible package that can be used to solicit meaningful insurance proposals from brokers has been assigned to a subcommittee chaired by committee member Phyllis Sumner, partner and Chief Privacy Officer at King & Spalding. The coordinated efforts of the AOC and the subcommittee will produce a series of options for the full committee to consider in making its final report to the Judicial Council.

3. Preliminary recommendations, including the possible creation or designation of a successor entity to continue general oversight of judicial branch cybersecurity insurance and preparedness, including maintaining detailed incident response plans (IRPs) for each judicial branch entity and a more general IRP for the entire judicial branch, after the dissolution of the Ad Hoc committee.

The next meeting is scheduled for March 25, 2020.

RE: JC/AOC's Communications, Children, Families, and the Courts Division

DATE: February 14, 2020

The Communications, Children, Families and the Courts Division of the JC/AOC serves as the hub for all communications and provides staff for the Supreme Court of Georgia Committee on Justice for Children, chaired by Presiding Justice David Nahmias; the Georgia Commission on Child Support, chaired by Troup County Juvenile Court Judge Michael Key; and the Access to Justice Committee of the Judicial Council, chaired by Justice Robert Benham. This Division assists with general grant work for courts in partnership with the legal staff in the Director's Division.

Following is a brief synopsis of the current work.

- **Committee on Justice for Children (J4C):** Federal grant funding for 2020 is underway and will last until December 31, 2020. Federal funding is in place through 2021. The priorities for J4C now include:
 - Multi-Disciplinary Child Abuse and Neglect Institute (MD-CANI): The Institute is a Georgia-specific iteration of a national Child Abuse and Neglect Institute provided by the National Council of Juvenile and Family Court Judges. MD-CANI Planning place in August 2016 and brought together stakeholders from across the state for a two-day introduction to the CANI curriculum. MDCANI Part 1 is an intensive, two-day immersion training in local jurisdictions, now expanded to include judges and all stakeholders, which covers the law and best practices in the first 75 days of a dependency case. MDCANI Part 2 is another intensive, two-day training for local jurisdictions, this time focusing on issues related to child wellbeing and permanency. On August 8-9, 2019 a run-through of Part 2 took place in Athens with our core jurisdictions observing and providing feedback. As of January 31, 2020, we provided MD-CANI Part 1 & 2 training to 54 jurisdictions.
 - The Court Process Reporting System (CPRS) provides a daily snapshot of data relating to every child in foster care, permitting judges, attorneys, and Court Appointed Special Advocates (CASA) to stay up-to-date on every factor related to

the child's permanency plan. The system also allows for uploading and e-filing of court orders, which are then sent to the Division of Family and Children Services (DFCS) every day, resulting in improvement of outcomes when the State seeks federal reimbursement for a portion of foster care expenses (by being able to easily account for all the court orders). In partnership with Georgia CASA, CPRS is also developing a CASA-specific module to allow case-tracking, report dissemination, and periodic reporting to national CASA. The J4C recently received a grant from the Zeist Foundation for this CASA-specific module, which is now in the testing phase. As of 2019, all Special Assistant Attorneys General (SAAGs) representing DFCS must upload all court orders to CPRS; CPRS in turn transmits these orders daily to the DFCS SHINES system. It is estimated by DFCS that using CPRS to upload orders will save the State some \$4 million dollars each year; this is the amount typically lost in federal IV-E reimbursements due to unavailability of court orders when the state is audited by our federal partners.

- The Cold Case Project is a joint project of J4C, the Office of the Child Advocate (OCA), and the Division of Family and Children Services. The Project identifies children in foster care whose cases are not moving toward permanency via a computer model and convenes the stakeholders to review substantive due process rights of the children and to brainstorm solutions to permanency roadblocks. At our May 2019 meeting, J4C members voted to take steps to move Cold Case legislatively to OCA, so that funding would go directly to OCA if all approvals go through on July 1, 2020.
 - The Court Improvement Initiative brings together leading juvenile court judges and their stakeholders twice a year. J4C reviews the best-practice model with each jurisdiction individually, and each jurisdiction reports on its efforts to implement best practices. Each meeting includes a session for judges to review data for each jurisdiction and J4C moderates discussions on best-practice implementation in light of needs revealed by the data.
 - J4C also sponsors the Hines Awards for child welfare attorneys and DFCS case managers to highlight the importance of this work. 2019 awards were given at the State Bar meeting in Orlando, Florida to attorney Anissa Patton and DFCS case manager Jasmine Spratling. Nominations are open for 2020.
 - J4C is sponsoring a Georgia Child Welfare Law Specialist meeting on March 4-6, 2020. Our last meeting in 2019 was attended by over 50 attorneys. We currently have some 60 GA Georgia attorneys who are Child Welfare Legal Specialist (CWLS) certified.
 - J4C, DFCS and OCA sponsored the third annual statewide Child Welfare Law Summit on Nov. 13-15, 2019, with nearly 650 participants. Planning for the 4th Summit for November 2020 is underway.
 - **The next J4C Committee meeting will be in May of 2020.**
- **Communications:** Improving communication can improve justice in all Georgia courts through collaboration and innovation, so it is a priority under the Judicial Council Strategic Plan. Since the ransomware attack in June 2019, we have built a new Courts Journal platform: <https://georgiacourtsjournal.org/> and we have restored the archives of stories and videos. We are still promoting and creating positive content about Georgia's

judicial branch, all courts, and judges through our social media pages. Our aim with all stories about the judicial branch is to instill faith in our state's system of justice and the rule of law. We are exploring creating civics kits to help fulfill that aim in partnership with the Georgia Department of Education and the State Bar of Georgia. Our platforms are: <http://georgiacourts.knack.com/gcd2/>; (<https://www.facebook.com/GACourts>; <https://twitter.com/Gacourts>; YouTube channel-<https://tinyurl.com/y9x6d32x>

- Child Support Commission: The Commission staff works collaboratively with Georgia's Department of Human Services (DHS), Division of Child Support Services (DCSS) in several areas, including supporting the Parental Accountability Courts (PAC), providing a website for self-represented litigants with resources on Georgia's Income Deduction Order (IDO) process (<https://georgiacourts.gov/ido/>), providing an online child support calculator for court and public use, and generally supporting the process and the law surrounding child support.
 - Parental Accountability Court evaluation: We continue to support and train PAC coordinators on use of the database to produce statistical evidence of the efficacy of those courts. JC/AOC's Research Division did a pilot study in 2018 of the results of data collected over a three-year period, which was shared with DCSS and all PAC judges. A second study is underway now on six more courts in the Alcovy, Appalachian, Coweta, Flint, Northeastern, and Southwestern Judicial Circuits.
 - Legislation: The Commission submitted proposed legislation for 2019 that passed addressing several items: Adoption Assistance Payments as an Exclusion to Gross Income; Amend O.C.G.A. § 19-6-15(f)(4)(A) to remove "40 hour/minimum wage" language (to ensure federal compliance); and the Addition of "or the Jury" in appropriate locations, along with corrections to grammar and punctuation. Staff include these changes in the training curriculum. The Commission has not submitted legislation for the 2020 session.
 - Child Support Calculator: Courts, attorneys, mediators and the public are using the online calculator deployed on August 8, 2016. Internet connectivity within the courthouses is still a problem around the state. The Excel calculators were retired on October 1, 2018. Commission staff is providing training on the online calculator throughout the state. The trainings include an update on child support case law, the correct use of multiple child support worksheets, use of the low income deviation, imputed income, and income withholding.
 - Study Committees: The Child Support Commission established two study committees to begin work in 2019 for a period of no more than two years that are chaired by members of the Commission. The Low Income Deviation Study Committee is chaired by Superior Court Judge Emory Palmer, and the Parenting Time Deviation Study Committee is chaired by Private Attorney Kathleen Connell. The purpose of the study committees is to explore whether changes, including the potential of adding formulas to the calculations, should be made specifically to the Low Income Deviation, O.C.G.A. § 19-6-15(i)(2)(B), and the Parenting Time Deviation, O.C.G.A. § 19-6-15(i)(K). Surveys have been developed for judges, attorneys and the general public, and can be found at <https://georgiacourts.gov/csc/>.
 - The next Child Support Commission mtg will be April 17, 2020.

- **Access to Justice Committee (A2J):** The mission of the Access to Justice (A2J) Committee is to improve the public's trust in the judicial branch by focusing on access and fairness through the elimination of systemic barriers related to gender, race, ethnicity, sexual orientation, national origin, disability, indigence, and language. The A2J Committee, is currently working on several projects:
 - Judge Rodatus, Judge Cassandra Kirk and Georgia State University Law Intern, Timur Selimovic who is also a fellow with the University's Center for Access to Justice, and previously served with the A2J Committee, recently finalized the Self-Help Resources Tool Kit for Georgia Judges. This project will provide information on a variety of self-help service delivery models. This toolkit was disseminated during the Judicial Council's meeting on April 26, 2019 and given to some religious leaders in SWGA during our first two Expungement Clinics. We are in the process of updating this resource and will present the proposed changes during our next Committee meeting in February.
 - The A2J Committee is partnering with and has adopted the State Bar's Justice for All (JFA) Strategic Plan and suggested projects. Foundational work of the strategic plan was initiated at our May Summit, a follow-up to our 2016 Summit (GA Reflections on Ferguson): GA Reflections on Access and Fairness in the Courts. Part 2: Engaging the Faith Community. We were able to identify various religious organizations throughout the State of Georgia to participate in the event and study. Foundational surveys and fact-gathering interviews were conducted with the faith-based community leaders to assess what current practices, if any, are in place. Work to assist the Dougherty County Law Library in creating a prototype at the local level for assisting self-represented litigants is underway. The Committee will focus on a combination of strengthening local law libraries, online forms for self-filing, local pop-up legal clinics, and low bono models of attorney representation, with the assistance of Mike Monahan, Judge Kristina Blum, the Georgia Technology Authority and the Director from the Dougherty County Law Library. Additionally, the AOC's Research Division will create and assist with the metrics of the model's effectiveness. The A2J Committee received an additional grant in the amount of \$40,000 from the State Bar of Georgia via the JC/AOC to be used for the ongoing initiatives in the JFA Strategic Plan. This continued funding is the result of a partnership between the State Bar's Justice for All Committee and the A2J Committee. On April 13, 2019, the A2J Committee held its first Pop-up Legal Clinic for Expungements, which served over 280 attendees. Our second Clinic served over 200 attendees and was held on July 26, 2019 in Valdosta, GA. The A2J Committee partnered with local and statewide volunteer lawyers, the State Bar of Georgia, Park Ave. United Methodist Church, local Solicitor's/DA's Office, and The Georgia Justice Project. Our next Clinic will be late February (TBD) in Rome, GA.
 - The A2J Committee collaborated with the State Bar's Unauthorized Practice of Law section and the Indigent Defense Committees to prepare a combination UPL Counter Card for court personnel and a Right to Counsel Bench card for judges. This card is being disseminated throughout Georgia's Judiciary.
 - The A2J Committee's Deaf and Hard of Hearing (DHH) working group collaborated with several ADA attorney specialists to create a Best Practices for

DHH Courthouse Accessibility counter card. This counter card is for all court personnel, and its purpose is to instruct on the ADA required steps that must be taken if someone presents with a DHH need. The 3rd draft was submitted for final review during our December Committee meeting and changes were suggested by the Commission on Interpreters. This project will be ready for production prior to our February Committee meeting.

- The A2J Committee internally distributed a final draft of the Georgia-specific guide for judges on the Servicemembers Civil Relief Act for review. The A2J Committee partnered with Emory University, Georgia State University and the State Bar of Georgia Military-Veterans Law Section on this project. The Guide was distributed during the previous JC meeting, and the SCRA Guide companion bench card is currently being finalized.
- Similar guides have been created in other states, and you can find one similar state-specific guide at this link:
https://mckinneylaw.iu.edu/practice/clinics/_docs/IndianaJudgesGuide.pdf. Any judges interested in learning more about the project or possibly participating in the project should contact Tabitha Ponder at tabitha.ponder@georgiacourts.gov.
- **The next A2J Committee meeting will be on February 19, 2020.**

Memorandum

TO: Judicial Council of Georgia

FROM: Cynthia Clanton, Director; Jessica Farah, Senior Staff Attorney

RE: Affidavit of Public Officer

DATE: February 5, 2020

The Judicial Council's Administrative Office of the Courts (JC/AOC), after discussions with the Georgia Attorney General's Office, was informed that, **starting January 1, 2021**, the Georgia Government Transparency and Campaign Finance Commission (Ethics Commission) will require members of each state board, commission, council or authority to file an Affidavit of Public Officer per O.C.G.A. § 21-5-50(a)(2). In previous years, based on discussions with executive branch attorneys, the JC/AOC had advised that members of judicial branch boards, commissions, councils or authorities did not need to file the Affidavit of Public Officer.

Affidavits of Public Officer are to be filed prior to January 31 of each year. Some of you may already file the Affidavit because of other roles you have in state government service. If that is the case, your membership on the Judicial Council should be included when you file annually. Multiple memberships can be listed on the same Affidavit. The Affidavits are filed directly with the Ethics Commission rather than with a local election superintendent or municipal clerk, as some personal financial disclosure statements are filed. The Affidavit is separate from any personal financial disclosure statement that you may file as an elected official.

If you have never previously filed with the Ethics Commission, the first step is to request login credentials from the Ethics Commission for the web-based reporting system. Credentials are requested through a one-page application that must be notarized and submitted to the Ethics Commission. A copy of the application is also attached.

Should you have any questions regarding the Affidavit of Public Officer, David Emadi, Executive Director, Georgia Government Transparency and Campaign Finance Commission, will be at the February 14, 2020, Judicial Council meeting. Mr. Emadi may also be reached at (404) 463-1980.

NATHAN DEAL JUDICIAL CENTER

Atlanta 30334

**Supreme Court Report
Judicial Council Meeting
February 14, 2020**

In December 2019, we began a new era when we moved into the new Nathan Deal Judicial Center. The Court, the Office of Bar Admissions, and the Office of the Reporter of Decisions, moved during a long weekend – closing the Court on Friday, opening in the new building the following Monday, December 16. The Court of Appeals moved in later that month. Even before the sawdust cleared and the boxes were unpacked, many people came to tour the beautiful building, and I look forward to many of you visiting as well.

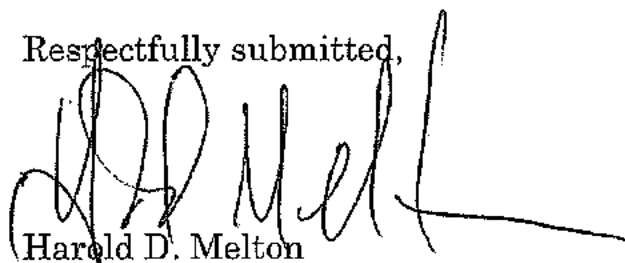

One of the first groups the Supreme Court and Court of Appeals hosted was the Georgia General Assembly. On January 29, up to 100 legislators signed up for a Legislative Breakfast and Tour. Due to legislative business, while not all attended, those who came seemed to enjoy the event. We gathered in the sixth floor rotunda with its dramatic view of the State Capitol Building before gathering in the Supreme Court's beautiful new courtroom where I introduced the members of our Court and Chief Judge Christopher McFadden introduced the members of the Court of Appeals. We took the opportunity to showcase the furniture in our new building that was designed and built by Georgia prison inmates, showing a video created by the Department of Corrections that chronicles the creation of this fine furniture. I hope you get to see the various pieces. We have created a Fact Sheet about the building (please see the attached) which details many of the furnishings built by the inmates. One of the most spectacular, in my opinion, is the Chief Justice's conference room table, which has the Court seal embedded in the center. Also of note are the courtroom chairs we brought from our old courtroom that inmates reupholstered and embroidered with a stunning Court seal. Miraculously, as the Fact Sheet says, this building came in "on time and under budget." How many construction projects can make such a claim?

The same day as our Legislative Breakfast and Tour, we also hosted "Media Day," which was an equally well-received event. In addition to local and state media, among those who participated were former Governor Nathan Deal – after whom the building is named, Corrections Commissioner Timothy Ward, and a former inmate who designed much of the furniture now in the new building. It was the first time Gov. Deal saw the inside of the building and he explained to media why the building was so important, noting that the "importance of the Judiciary cannot be overstated."

On Tuesday, February 11, we held the official dedication of the Nathan Deal Judicial Center. We were honored to have Native Son Justice Clarence Thomas of the Supreme Court of the United States as the keynote speaker. Justice Thomas is from Pin Point, Georgia and has served on the nation's highest court for 28 years. Others attending the historic event were Governor Brian Kemp, former Governor Deal, federal and state judges, including members of the Judicial Council, constitutional officers, legislators, and others. More than 400 attended the invitation-only event.

As I mentioned in a previous report, my friend and colleague Justice Benham will step down from the Court later this month when he officially retires March 1. As many of you are aware, Justice Benham is a historic member of our Court as he was the first African American appointed to the state's highest court in its more than 140 years. Recently, the Georgia Senate honored Justice Benham with a resolution commending him as a "champion of justice" and praising him for his "deep personal commitment to the citizens of Georgia." We will all miss him, and I am deeply privileged to have served with such a special friend and jurist.

FACT SHEET: THE NATHAN DEAL JUDICIAL CENTER

“This job is on schedule and under budget.”

Marvin Woodward, Deputy Director, Georgia State Financing and Investment Commission, from Dec. 3, 2019 Daily Report

- ▶ The Nathan Deal Judicial Center is the **first state building in Georgia history dedicated solely to the judiciary.**
- ▶ **The six-story, 215,000-square-foot building sits on six acres of land and houses the state’s two appellate courts:** the Supreme Court of Georgia, the state’s highest court, and the Court of Appeals of Georgia, the state’s intermediate appellate court. The building also will house the new statewide Business Court.
- ▶ **The Georgia Building Authority owns and manages** the Nathan Deal Judicial Center; the courts lease it.
- ▶ **The building was designed and constructed to be a “hundred-year building,”** i.e. built to last a century – the vision of former Gov. Nathan Deal, who secured the funding and won the legislature’s support.
- ▶ The architectural firms that designed the building and provided interior design were a joint venture between **Robert A.M. Sterns and Stevens & Wilkinson**. The construction manager was **Gilbane Building Company**, which managed a team of 41 subcontractors.
- ▶ **Most of the building’s exterior is made from precast concrete**, which was less costly than limestone or marble; the bottom portion of the building is Georgia granite. Remnants of white Georgia marble from the Georgia Archives building were used in the front courtyard. **The columns in the Supreme Court courtroom are made of North Georgia marble** that was mined in the town of Nelson.

Plans for the new building have been in the works for more than a decade.

Discussions began years ago about the need for new space for Georgia’s appellate courts, which had been sharing building space with the executive branch since 1956. History:

“It is our hope that this handcrafted furniture will not only symbolize the new beginning for the judicial center; but also the work of our offenders. They have now become a part of history because of these skills they learned during incarceration; and it is those learned skills that will hopefully assist them to reenter society as productive citizens.”

Georgia Department of Corrections Commissioner, Timothy C. Ward

A number of pieces of furniture in the new building were designed and constructed by Georgia prison inmates through Georgia Correctional Industries (GCI), which sells the furniture. Among the pieces purchased from GCI are:

- ▶ Large wooden table in the Chief Justice's Banc Room where the Supreme Court meets to discuss and vote on opinions. An image of the Supreme Court seal is embedded in the table top. The table was made by inmates through the Georgia Department of Corrections Ware State Prison Woodworking Program whose graduates earn a cabinetry certificate.
- ▶ Twenty-five wooden conference tables that can be grouped or separated in the Judicial Conference Room, which is used by both courts.
- ▶ Wooden desks and filing cabinets for some Court of Appeals staff.
- ▶ Nine Justices' chairs in the Supreme Court courtroom that were reupholstered by inmates at Montgomery State Prison and embroidered by inmates at Hancock State Prison.

Inmates also constructed:

- ▶ Tall wooden standing desks for the Justices' chambers, modeled after the standing desk favored by Thomas Jefferson.

The purchase of furniture built by inmates has allowed the courts to support the mission of rehabilitation while securing prime furnishings that will stand the test of time at a cost- effective price.

To further cut down on costs, Supreme Court Justices and Court of Appeals Judges brought with them furniture from their former chambers to mix with new furniture that has been purchased for their new, larger offices. Examples:

- ▶ Six of the nine Justices brought their old desks;
- ▶ Chief Justice Harold D. Melton brought the chairs and table that were used by the late Chief Justice Hines;
- ▶ Judge Clyde L. Reese kept the leather sofa retired Judge Gary Blaylock Andrews had used for 25 years;
- ▶ Justice Sarah H. Warren has the couch, table, and chairs that were once used by former Chief Justices Sears, Hunstein, and Thompson;
- ▶ Presiding Justice David E. Nahmias and other Justices brought personally owned furniture they used in prior offices;
- ▶ Judge Sara L. Doyle's desk previously belonged to retired Judge J.D. Smith, who left a note in it for her;
- ▶ Most of the furniture from the old building has been repurposed for other space within the Courts. Most Supreme Court staff got no new furniture.

The building had a **budget of \$131 million:**

- **\$106M** Construction
- **\$6M** Demolition of the Archives Building
- **\$10.5M** Design, special inspections, testing and commissioning
- **\$8.5M** Furniture, equipment, IT, audio visual equipment, security, and moving costs

The building came in **\$1 million under budget**

Court of Appeals Report
Judicial Council Meeting
February 14, 2020

The Court of Appeals and the Supreme Court are settling into our new accommodations in the Nathan Deal Judicial Center. We are grateful for the support that has enabled us to work in such a magnificent, efficient space. The Court of Appeals judges particularly appreciate having all of their immediate staff working within their chambers and of having our clerk's office in the same building.

The formal building dedication was held on Tuesday, February 11. Justice Clarence Thomas, who is the circuit justice for the Eleventh Circuit, gave the dedication address.

We encourage you to visit and let us show you around the building. Feel free to contact me at mcfaddenc@gaappeals.us, our clerk of court, Steve Castlen, at castlens@gaappeals.us or any of my colleagues whenever you have the opportunity to come by.

The court economized as much as we reasonably could in furnishing our new space. We brought all of the usable furniture we could from the old Judicial Building, including historic pieces such as the antique revolving bookcases (that were not antique when we bought them) and judges' desks which have been passed along through the decades.

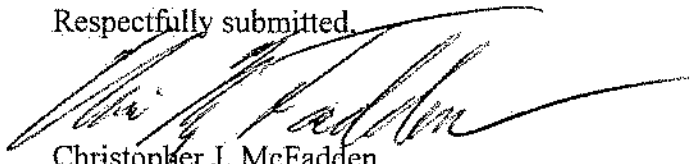

The court also commissioned a number of furniture pieces from Georgia Correctional Industries. These desks and file cabinets are beautifully made and were

less expensive than lesser-quality commercial options. Buying from G.C.I. supported that program's goals of saving taxpayer money and returning former inmates to society with marketable skills.

The court continues to hold oral arguments in communities outside Atlanta. Our first offsite argument of 2020 will be next week at Albany State University. Presiding Judge Sara Doyle, Albany native Judge Ken Hodges, and I will hear those arguments. Feel free to contact me if you would like to have the court hold arguments in your community.

Court of Appeals judges continue their work on commissions, Judicial Council committees and outreach to civic groups, as I know all of you do as well.

Smith of the Chattahoochee Judicial Circuit was elected to the position of Secretary-Treasurer. Their terms will begin on May 1, 2020, along with that of incoming President, Judge Brian J. Amero.

Each year, the Council recognizes deserving judges with the Emory Findley Award. The award, named after the late Judge Emory Findley, recognizes judges for their outstanding leadership and dedication to the continued improvement of our court system. This year's recipients were Judge Daniel Coursey of the Stone Mountain Judicial Circuit and Judge William T. Boyett of the Conasauga Judicial Circuit. The presentations took place on January 23, 2020 at the winter conference.

Governor Brian Kemp appointed Judge James Prine to the bench of the Southern Judicial Circuit to replace the retiring Judge Harry Jay Altman, II. Governor Kemp is currently working to fill the vacancy in the Enotah Judicial Circuit created by the retirement of Judge N. The Council conducted its New Judge Orientation in Athens, Georgia on January 27th through January 29th. Three recently appointed state court judges were in attendance: DeKalb County State Court Judge Kimberly A. Alexander (Traffic Division); DeKalb County State Court Judge Kimberly K. Anderson (Jury Division) and Bibb County State Court Judge Sharrell F. Lewis.

The Council was made aware of a need to correct a statute that was causing some judges confusion about settlements with minors and when a conservator was required to be appointed. Judge Greg Sapp (Chatham) and Judge David Darden (Cobb) drafted some corrective language and then joined with Council of Probate Court Judges, Judge Sarah Harris (Bibb) and Judge Alice Padgett (Evans) to complete the draft that was recently approved by the Judicial Council Legislative Committee to submit for support to the Judicial Council.

The State Court of Bibb County received a grant from the Swift, Certain, & Fair (SCF) program of the Bureau of Justice Assistance to reduce recidivism for domestic violence offenders. The State Court has implemented intensive probation with “swift, certain, and fair” sanctions and incentives. The program requires each probationer to submit to a clinical assessment, and the Court imposes conditions on the probationer to address the specific behavioral disorders/needs of the probationer. The program removes barriers, by paying for the clinical assessment and for most of the imposed types of interventions. With the removal of barriers, the Court demands timely performance of the conditions. By identifying the right treatment regimen and getting each participant through that regimen, we seek to protect victims and to accomplish the goal of eliminating recidivism among these participants.

**REPORT OF THE COUNCIL OF JUVENILE COURT JUDGES
JUDICIAL COUNCIL MEETING
February 14, 2020**

The Council lost three judges to retirement just before the end of the year. Judge Peggy H. Walker of Douglas County retired and was replaced by her longtime Associate Juvenile Court Judge, Michelle Harrison. Judge Walker served as President of the National Council of Juvenile and Family Courts Judges in 2015. Judge Brad Boyd of Fulton County retired after 46 years of service in the juvenile courts that started as a probation officer. Judge Boyd was replaced by Associate Juvenile Court Judge, Chis Yokom, and the superior court judges of Fulton County created another judgeship and appointed Associate Juvenile Court Judge, Wenona Belton, to that position. Judge Jennifer McKinzie of the Augusta Circuit retired and was replaced by Judge Charles Evans, who was an Associate Juvenile Court Judge in the circuit.

The Council continues to work with the legislature and various stakeholders on HB 440 that proposes to raise the age of juvenile court jurisdiction to include 17-year old's. Although the judges are in general agreement that this would be a logical move to include children up to the age of majority, the fiscal impact of the legislation would have to be studied and a process put in place to handle these older offenders that previously have not been part of the juvenile court's jurisdiction.

Report to Judicial Council of Georgia February 14, 2020

The following is a summary of activities and current initiatives by the Council of Probate Court Judges:

Probate Judges' Day at the Capitol

Our Council hosted Probate Judges' Day at the Capitol on February 4, 2020. Over fifty probate judges gathered at the Capitol for our morning briefing, photograph with Governor Brian Kemp and our afternoon luncheon catered by The Varsity. Overall, this event, as in years past, was an unqualified success and it was great to fellowship with our legislators, their respective staff members and our colleagues in the judiciary.

Retiring Judges and New Judges

On December 31, 2019, Judge Kenneth Powell of the Bleckley County Probate Court retired after 23 years of service. Judge Powell was respected among his colleagues and his presence will be missed. Judge Jonathan Fordham was appointed to replace Judge Powell. In his previous role, Judge Fordham served as an assistant district attorney at the Oconee Judicial Circuit District Attorney's Office. On January 2, 2020, Judge Mary Cranford of the Coweta County Probate Court retired after 35 years on the bench. Our Council named the newly established annual award for probate clerks in Judge Cranford's honor, as Judge Cranford was the driving force behind statewide training for probate clerks. Judge Carrie Markham was appointed to replace Judge Cranford. Previously, Judge Markham served as the associate probate judge and a civil litigation attorney. Finally, on January 31, 2020, Judge Patrice Underkofler of the Putnam County Probate Court retired after 23 years of service. Judge Underkofler never hesitated to help a colleague and was an active member of our Council. Judge Karen Owen, who previously served as the associate probate judge, replaced Judge Underkofler. We would like to thank our retiring judges for their service and we look forward to welcoming our newest judges.

159 Probate Court Visits

Last year, when I was sworn in as our Council's president, I made a pledge to visit all 159 probate courts during my term and I am happy to report that between June 2019 and December 2019, in 37 calendar days, I was able to achieve this goal. Kevin Holder, our Council's executive director, was with me for the journey and it was well worth the time and energy that was required to travel across our entire state. The number one takeaway for me was being able to share time with our judges in the communities in which they work and live.

Council of Magistrate Court Judges Report for Judicial Council

The Council of Magistrate Court Judges has had a busy January. Our salary bill dropped the first week of session and our bond bill just after that. We have been working hard on Magistrate Day at the Capitol which was held on the same day as Probate Day, February 4. Magistrates had a breakfast and the Probates had a lunch. Legislators were well fed by the judiciary on February 4. The day was an overall success as we were able to pass out our popular gavel cookies and served a full breakfast to the legislators that visited.

The Council leadership will be attending our new judge's school the last week in February by visiting with the new judges during dinner and teaching a class during the week. The Chief Magistrate School was held the second week in February in Jekyll and was well attended.

The Technology Committee is in the process of gathering all emails of judges wishing to participate in the new Google Groups. It has been a slow process since there are over 500 judges that we need to gather emails from and then input into the system. We hope to have most everyone moved over by our Spring training and Annual meeting in late March.

The Rules Committee passed a new rule dealing with the Servicemembers Relief Act forms for civil cases in mid January. The rule has been out for comment and will be submitted to the Supreme Court when that has passed.

After passage of HB 307, the AMV statutes changed in September and leadership has had to deal with many questions from both judges and towers confused by the new law. A few special committees were appointed to handle some of these questions and since December, there seems to be less confusion.

Finally, the Wizard is complete with the AMV being the last forms to be integrated into the system. Tyler Technologies, our partner finished the integration and the leadership of the Council is reviewing and tweaking so that it will go live in February.

February 14, 2020

Dear Judicial Council Members and Interested Stakeholders:

The following is a summary of activities and current initiatives by the State Bar of Georgia:

Programs Review and State Bar Funding

The State Bar's leadership strives to be effective stewards of the mandatory dues that lawyers are required to pay in Georgia. To that end, the Bar has conducted a comprehensive assessment of its 24 programs to identify those programs that are providing the greatest benefit to the Bar's membership and its mission. The Programs Committee, chaired by Martin Valbuena and including a strong representation of Bar officers and members of the Board of Governors, was tasked with conducting an independent objective assessment of each Bar program.

The Programs Committee assigned each program a letter rating to indicate that program's relationship to the Bar's mission: "A" for essential functions regulating the profession, protecting the public; "B" for programs that provide a highly valuable benefit to members in their professional lives, improves access to justice/quantity of legal services, provides necessary infrastructure for core functions or is required by governing documents; and "C" for programs that educate the public about the value of the legal system but do not help lawyers in their personal or professional capacities. Each program was also assigned a numerical rating to indicate how well that program's expenditure fulfills the program's purpose.

The Bar's Board of Governors ultimately adopted the following recommendations: (1) Eliminate the Bar's funding of the BASICS program; (2) Eliminate the Bar's funding of iCivics from the Law-Related Education budget; (3) Eliminate the Bar's funding of the Georgia Resource Center; (4) Conduct further review of the Pro Bono Project before deciding upon a final recommendation; and (5) Sunset the Bar's MLAP program in recognition of other complementary legal clinics.

Additionally, the Executive Committee recommended that the Chief Justice's Commission on Professionalism reduce the mandatory professionalism fee from \$15 to \$5, that the Bar require members to pay credit card fees associated with online payments, and that each Bar program identify a plan for reducing its cost by 10 percent.

The result is that now at its conclusion, this process permitted the Bar to avoid, through program and other reductions, a significant license fee increase that would have been required without these reductions. The Bar leadership remains committed to scrutinizing the necessity and effectiveness of our programming to

ensure we are getting our money's worth, so that future budget challenges can similarly be managed without significant license fee increases.

Professional Liability Insurance

The State Bar has continued holding town hall meetings throughout the state to discuss the issue of professional liability insurance. The State Bar has received feedback from a variety of practitioners regarding potential mandatory insurance requirements, required disclosure, and other alternatives. The Bar's Professional Liability Insurance Committee will hold a meeting in conjuncture with the Board of Governor's Spring Meeting in March to determine whether the Board will hold a vote on one or more possible options. Additional information about the Professional Liability Insurance Committee can be found under the header "Professional Liability Insurance" at the following link:

<https://www.gabar.org/committeesprogramssections/committees/index.cfm>.

2020 Legislation

The Bar's Board of Governors has voted to support three funding requests and two bills during the 2020 legislative session:

1. The Bar supports the Judicial Council's FY 2021 budget request for \$750,000 to fund civil legal services grants for kinship care families.
2. The Bar supports the Judicial Council's FY 2021 budget request for \$2.5 million to fund civil legal services grants for victims of domestic violence.
3. The Bar supports the Judicial Council's FY 2021 budget request for \$800,000 to fund representation in post-conviction proceedings through the Georgia Appellate Practice and Educational Resource Center.
4. HB 865—the Bar supports this legislation, brought by the Fiduciary Section, which makes revisions to Title 53 of the Georgia Code dealing with wills, trusts, and administration of estates.
5. HB 785—the Bar supports legislation creating remote online notarizations in Georgia so long as the legislation includes fraud protections from the National Association of Mortgage Bankers Model Act and includes a carve out excluding trusts and estates.

As always, we appreciate the support of our friends in the judiciary and value the work that you do, side-by-side with Georgia lawyers, to protect and promote the rule of law in our great state.

Council of Accountability Court Judges Report to Judicial Council February 2020

In the time since the Council of Accountability Court Judges (CACJ) last reported to the Judicial Council, the CACJ held its Semi-Annual meeting for the members of the CACJ. The CACJ is pleased to report the following Council accomplishments and activity.

- CACJ released accountability court certification applications in December 2019. Each court that is subject to apply for certification or re-certification returned their application back to the CACJ on January 24, 2020. The CACJ Standards and Certification Committee is scheduled to review the applications on February 21, 2020.
- CACJ has received notice of intent to apply for state fiscal year 2021 funding from eleven (11) new, implementation courts that wish to begin operations on July 1, 2020. These new, implementation programs consist of mental health courts, veteran's treatment courts, family treatment courts, and juvenile accountability courts.
- The CACJ Training Committee is hosting several trainings in March 2020 to support the further development of Georgia's accountability courts. A refresher training for mental health courts is planned; the National Drug Court Institute (NDCI) is returning to Georgia to facilitate a tune-up training for drug and family treatment courts; and further still, Justice for Vets is set to provide a tune-up training for the veteran's treatment court programs.
- A memorandum of understanding between CACJ and the Carl Vinson Institute of Government (CVIOG) has recently been put into place to execute a Certified Accountability Court Coordinator Training program. The program will include eight (8) courses for a total of forty-five (45) hours. Course content includes accountability and advocacy, communication, succession planning and delegation, team and group dynamics, conflict management, financial concepts, grant administration, and procurement and grant management. The course will be a mixed offering of online and in-person courses. CACJ and CVIOG are working to launch the first in-person course in August 2020. Once court coordinators complete the certification program, each will be better positioned to execute program operations, pursue and manage grant funds, and successfully plan for long-term program sustainability.
- CACJ has worked closely with Ms. Alison Lerner, an AOC staff attorney, to draft the CACJ Rules and Regulations. CACJ voted to approve the Rules and Regulations during its Semi-Annual meeting on January 24, 2020. Implementation of the Rules and Regulations is planned for July 1, 2020. CACJ is very thankful for the dedicated service and support Ms. Lerner has been able to provide.

The CACJ continues to work closely with the Administrative Office of the Courts and the Criminal Justice Coordinating Council to further develop the Accountability Courts of Georgia under the guidance and expertise of Judges. CACJ appreciates each agency's partnership and continued support for Georgia's accountability courts.

RE: Chief Justice's Commission on Professionalism

DATE: February 14, 2020

The Chief Justice's Commission on Professionalism, the first body of its kind in the nation, was created in 1989 by the Supreme Court of Georgia with the primary charge to enhance professionalism among Georgia's judges and lawyers. Justice Sarah Hawkins Warren is a very active advisor to the Commission. You will find a complete list of Commission members, advisors, and liaisons at the Commission's web site at www.cjcpga.org.

The Commission expresses its gratitude to Vice Chief Judge Carla Wong McMillian who recently stepped down from the Commission as she assumes more responsibilities at the Court of Appeals of Georgia. We appreciate your service Judge McMillian and we welcome Judge Reese as our newest Commission member.

2019 CONVOCATION ON PROFESSIONALISM THEN (1988) AND NOW (2019)

The Chief Justice's Commission on Professionalism held its 2019 Convocation entitled ***Professionalism Then (1988) and Now (2019)*** on **Friday, December 13, 2019**, at the Emory Conference Center and Hotel. The Convocation Co-Chairs were Vice Chief Judge Carla Wong McMillian, Court of Appeals of Georgia, and Associate Dean A. James Elliott, Emory University School of Law. Chief Justice Harold D. Melton, Supreme Court of Georgia, and Dean Mary Ann Bobinski, Emory University School of Law, brought greetings to the approximately 150 attendees and speakers at the event. Throughout the day, the attendees heard from a variety of speakers, including Ms. Susan Cahoon, a partner at Kilpatrick Townsend & Stockton LLC, who attended the 1988 Consultation on Professionalism that was convened by then Chief Justice Thomas O. Marshall at Emory University. Mr. Thomas G. Sampson, Managing Partner at Thomas, Kennedy, Sampson & Tompkins LLP, who served on the first Commission on Professionalism in 1989, was also a presenter. The Commission also thanks **Ms. Cynthia Clanton** for joining us for the day and serving as the timekeeper for the program! Photographs from the Convocation are available on the Commission's website at http://cjcpga.org/2019_professionalism_convocation/.

PROFESSIONALISM, PIZZA AND A MOVIE

As part of the State Bar of Georgia's Mid-Year Meeting in Atlanta, Georgia, the Commission held a professionalism lunch and learn CLE entitled ***Professionalism, Pizza, and a Movie***. Approximately 30 participants attended and viewed the movie Philadelphia followed by a 1-hour professionalism discussion of topics such as: client selection; decisions to take on certain cases when you may not "like" or "agree with" your client; courtroom tactics; and bias and discrimination. The panel discussion was approved for 1 hour of professionalism CLE credit. The **Honorable Robert McBurney**, Chief Judge, Superior Court of Fulton County did a masterful job of moderating a lively panel discussion. The panelists included Mr. William Thomas Davis, Naggier & Sarif LLC, President, Young Lawyers Division of the State Bar of Georgia; Mr. Francys Johnson Jr., The Johnson Firm PC; the **Honorable Jane Morrison**, Judge State Court of Fulton County; and the **Honorable Rashida Owens Oliver**, Chief Judge, City of East Point Municipal Court.

During the program, the attendees also heard from attorney Lawrence Cooper who in 1991 represented a plaintiff who was HIV-positive in the case of Edward S. Worth v. Multi-Media

WMAZ, Inc. The case was tried in Bibb County Superior Court in 1991 based on the tort of invasion of privacy. Mr. Cooper's real-life experience with similar issues to those raised by the movie greatly enriched the discussion.

January 22, 2020

Dear Colleagues:

I write to respectfully request your firm's participation in a **Suicide Awareness Program** being convened by the Chief Justice's Commission on Professionalism on **April 28, 2020, from 2 pm – 5pm.**

The Commission approached me and asked for my assistance with the program in April 2019, after an associate at my firm, Drew Eckl & Farnham, committed suicide. The associate was well liked and doing well. He had just been admitted to our firm's Path2Partnership program, which is a recognition that a lawyer is on the brink of partnership. On his last day, he worked a normal, full day. He finished an important report, with which his supervisors were well pleased, left at his normal time, and picked up food for his wife and two young daughters on his way home. Later that night, he quietly took his own life. We were blind-sided by his suicide.

My firm reached out to the legal community for help when we lost our associate; now, we want to help others by encouraging an open conversation about suicide in the legal community. The in-person presentation of the Suicide Awareness Program will take place at the State Bar of Georgia Headquarters in Atlanta, Georgia. In addition, the Commission will offer the program via a live stream on its YouTube channel to several Satellite Viewing Locations. I write to encourage you to invite as many individuals in your firm as possible to participate, and to ask that you include not only lawyers, but also legal assistants, paralegals and other support personnel. When our colleague at Drew Eckl took his own life, everyone at our firm was impacted, not just the lawyers.

The Commission is offering the program for a fee of \$25 to any lawyer who wishes to receive CLE credit. The program is free for lawyers who do not need CLE credit and for all non-lawyers who participate. The Commission will require all program attendees to register, and registration for program attendees will open in March. **More immediately, any firm that is willing to serve as a Satellite Viewing Location may apply through this link: <http://cjcpga.org/suicide-awareness-program/> or may contact the Commission's Executive Director, Ms. Karlise Y. Grier, on or before February 21, 2020.** A flyer about the program and information on the requirements for Satellite Viewing Locations is attached.

Page 2

As the Managing Partner at Drew Eckl, I understand what I am about to ask you is a big ask; but I would respectfully request that you personally encourage everyone at your firm to save the date of **April 28, 2020, from 2 pm – 5pm** on your calendar and plan to attend the Suicide Awareness Program either in person or via the live stream broadcast. Overcoming the stigma of discussing and addressing mental health challenges is a critical step in suicide prevention. Law firm leaders have a unique platform and power to set the tone in creating a mutually supportive work environment. If you have any questions about this request, or the Suicide Awareness Program, please do not hesitate to contact me or Ms. Grier. Thank you for your consideration.

Sincerely,

Dear Local and Voluntary Bar Association Leaders:

I write to respectfully request your bar association's participation in a **Suicide Awareness Program** being convened by the Chief Justice's Commission on Professionalism on **April 28, 2020, from 2 pm – 5pm.**

At its meeting on May 3, 2019, the Commission approved the Suicide Awareness Programming for its 2019-2020 program year. Shortly thereafter, the Commission approached me and Judge Render Heard as co-chairs of the State Bar of Georgia's SOLACE Committee, to ask for our assistance. The SOLACE Committee readily agreed to participate. Later in 2019, the Court of Appeals lost Judge Stephen Goss to suicide. Everyone associated with the Court was greatly affected by this loss. It underscored the importance of being involved in efforts to raise awareness of this issue.

The members of the Suicide Awareness Program planning team want to help others by encouraging an open conversation about suicide in the legal community. The in-person presentation of the Suicide Awareness Program will take place at the State Bar of Georgia Headquarters in Atlanta Georgia. In addition, the Commission will offer the program via a live stream on its YouTube channel to several Satellite Viewing Locations. I write to ask you to encourage everyone in your network to participate in the Suicide Awareness Program on **April 28, 2020, from 2 pm – 5pm.** Please ask not only lawyers, but also legal assistants, paralegals and other support personnel.

The Commission is offering the program for a fee of \$25 to any lawyer who wishes to receive CLE credit. The program is free for lawyers who do not want CLE credit and for all non-lawyers who participate. The Commission will require all program attendees to register, and registration for program attendees will open in March. More immediately, the Commission seeks individuals to help locate and organize Satellite Viewing Locations throughout the State of Georgia. **A flyer about the program and information on the requirements for Satellite Viewing Locations are attached.** **Individuals who are interested in helping to locate and organize Satellite Viewing Locations should apply on or before February 21, 2020, at the link here: <http://cjcpga.org/satellite-viewing-location-request-form/>.**

Overcoming the stigma of discussing and addressing mental health challenges is a critical step in suicide prevention. We, as leaders in the legal profession, play an important role in furthering this conversation. If you have any questions about this request or the Suicide Awareness Program, please do not hesitate to contact me or Ms. Karlise Y. Grier, the Executive Director of the Chief Justice's Commission on Professionalism, who is providing staff support for the program. Thank you for your consideration.

One way we are expanding our platform of providing educational services is through *In Recess*, GCCA's first soon-to-be released podcast. The first session will highlight juvenile court bills during this legislative session. Please join us on February 24, 2020 as we deploy this new venture.

Plans for the 2020 Spring Conference on March 22-25, 2020 are being finalized. The conference entitled "Putting the Pieces Together" will be held at the Athens Classic Center. ICJE EXECUTIVE DIRECTOR REPORT TO JUDICIAL COUNCIL

TO: Chief Justice Harold D. Melton, Chair, Judicial Council of Georgia
Members, Judicial Council of Georgia

FR: Douglas Ashworth, ICJE Executive Director *D. Ashworth*

RE: Executive Director's Report For February 14, 2020, Judicial Council Meeting

DATE: January 31, 2020

I am pleased to provide the following information and material for your Meeting:

Monthly Email Reports: A copy of my monthly ICJE activity email reports since your last meeting is attached. These monthly reports are also distributed to the leadership of all ICJE constituent groups and educational apparatuses.

ICJE Staff Transition: We thank Ms. Briana Kelly for her outstanding service as ICJE Electronic Media Specialist. Due to geographic relocation away from the Athens area, she accepted a new position. This open position should post soon and we will select a new Electronic Media Specialist as soon as possible.

September 2019 Planning Meeting Follow-Up – DRAFT MOUs: Page 15 of the Action Plan from the September 2019 Planning Meeting ("Action Plan") tasks ICJE and Council Executive Directors to develop MOUs. I have completed a D-R-A-F-T of the MOUs, and a copy of my Memorandum to Planning Meeting attendees is attached. Because the D-R-A-F-T MOUs are lengthy, they are posted on a google drive for review – the link is contained in the Memorandum.

September 2019 Planning Meeting Follow-Up – ICJE Orientation Package: Page 16 of the Action Plan tasks ICJE and UGA to create a Trustee Orientation Package. I have completed a 50-slide power point presentation "ICJE Orientation" which is attached to this report. Please review the content of this resource and inform me of any requested revisions.

September 2019 Planning Meeting Follow-Up – ICJE Current Staff Points Of Contact: Page 18 of the Action Plan tasks ICJE to better communicate the roles, responsibilities and points of contact for current ICJE staff to ICJE stakeholders. I have created two new documents, which are attached to this report: (1) "ICJE Points of Contact" will be printed on the back over of all seminar booklets going forward; and (2) "Copy of 2019 Registration Form". For the first time, the 2019 Registration Forms included a block showing the contact names and email addresses for current ICJE staff, along with the request that ICJE constituents add the email addresses as contacts in their email service. The purpose for requesting that ICJE staff email addresses be added as contacts is because emails from the EventsAir software system used by ICJE may be viewed as "bulk mail" by ICJE constituent email servers, which results in ICJE email messages going automatically to junk mail.

This completes my report for this Meeting. As always, I can be reached on my cell at 706.201.7680 anytime at your convenience.

Greetings:

Here is my **monthly overview of ICJE activities for January of 2020**. As always, I can be reached anytime on my cell at 706.201.7680.

Summary: During the 21 business days of January, ICJE facilitated **7 days of educational programming and participated in various meetings on 10 different days**. We emailed out all Calendar Year 2020 Registration Forms on Thursday, January 2nd, the first business day of the new year, and registrations are pouring in.

That's the **Summary, here are the Details:**

Educational Programming Included: ICJE staff facilitated the Council of **Superior** Court Judges' Winter Conference during January 21-24, at the UGA Conference Center in Athens. Judge Greg Poole and Judge Katie Lumsden co-chair the MCJE Committee that build the agenda for this comprehensive event. The Winter Conference featured **over 25 plenary and track sessions, with 53 speakers**. We also facilitated the **State** Court Judges' New Judge Orientation during January 27-30 at the Holiday Inn in Athens. Judge John Edwards, Judge Susan Edlein, and Judge Allison Barnes lead the NJO Committee that develops this excellent annual event.

Meetings Included: (1) UGA Law School Senior Administrator Meeting; (2) **Magistrate** Court Training Council; (3) Meeting with **Supreme** Court Justice Michael Boggs, new JQC Director Chuck Boring, and others, regarding future curriculum content on the Code of Judicial Conduct; (4) **MCJE Committee** of Superior Court Judges; (5) **Municipal** Court Clerks' leadership; (6) FY 2021 **Appropriations Hearings** before the House Appropriations Public Safety Subcommittee; and, (7) UGA Law School Staff Resource Support Group.

ICJE Board Activities: The ICJE Board of Trustees met on January 24, 2020, for its Winter Meeting, with a packed agenda. Much of the substantive work of this meeting involved status updates on various "Action Items" from the September 23, 2019, Planning Meeting held in Athens. D-R-A-F-T MOUs were distributed for each constitute group served by ICJE. New templates for financial reporting were presented to the Board. Finally, the Board also received proposed revisions to the ICJE By-Laws from a Board By-Laws Committee.

New ICJE Orientation Power Point Attached For Your Review: This monthly email report contains an attachment. **Please review the new "ICJE Orientation for Trustees and Constituents"**. Our goal was to provide a comprehensive overview of ICJE for all interested parties, and we hope you find this new resource to be a quick, but comprehensive, resource for reference.

If I can be of assistance prior to the next monthly update, please call on me anytime.

Thank you and best regards,
