## Preapprovals for 2020

The Georgia Board of Court Reporting (BCR) promotes interaction and the exchange of ideas among court reporters in a professional educational setting. The following calendar lists courses that are preapproved by the Georgia BCR for continuing education credit. Updates are posted frequently throughout the year.

**Please note that all hours must be submitted to the Georgia Courts Registrar at <http://gcr.onegovcloud.com> within 30 days after attending an educational activity (or by December 31, whichever is earlier).**

We urge the submission of hours as soon as possible, **preferably before December 15**, as confirmations for receiving hours will no longer be sent out following that date. While hours submitted later will still apply to 2020, and can be submitted until December 31, they will be processed in 2021.

**Note:** CE programs conducted by the national and state Court Reporter Associations outside of Georgia are generally approved for the educational contact hours, or CEU's, verified by those Associations. However, final approval of credit for Georgia is always subject to the guidelines in the Continuing Education Manual for Georgia Certified Court Reporters. For instances, no credit is given for tours, business meetings, or home study book reviews.
