NOTICE OF RE-OPENING PROCEDURES FOR ESTATES, GUARDIANSHIPS AND MENTAL HEALTH CASES

The Probate Court of White County will resume in-person proceedings on Estate, Guardianship and Mental Health cases beginning Monday, August 3, 2020. While resuming in-person proceedings, the Court seeks to balance the needs of public safety, the rights and health of individual litigants, and the health and safety of lawyers and Court staff.

After consultation with local officials and the White County Emergency Management Director and in compliance with their recommendations and the CDC's guidelines, the Court has implemented numerous measures to protect all who appear in Court. These measures include screening all individuals attending Court and requiring all individuals to wear facial coverings and to maintain six (6) feet of separation from others while in the courtroom or hallway.

The courtroom will have assigned seating to maintain social distancing standards. The courtrooms are open to the public; however, litigants are strongly encouraged to attend alone, so that distances can be more easily maintained. Court hearings will be live-streamed in the event that courtroom capacity has been exceeded.

The Court will continue to conduct most uncontested matters by video conferencing or teleconferencing procedures.

Any litigant who is in a high-risk category (including over the age of 65) or has a COVID-19 related basis to be excused from Court should contact the Probate Court (706) 865-4141, at least seventy-two (72) hours prior to the scheduled Court date. Leaving a voice mail does not relieve a litigant of the requirement to appear on the scheduled Court date.

Failure to appear for a scheduled Court date may result in dismissal of pleadings or contempt proceedings as appropriate.

Please note the following requirements:
