**WHEREAS**, the Honorable Harold D. Melton, Chief Justice of the Supreme Court of Georgia, issued an Order Declaring Statewide Judicial Emergency on the same date.

**WHEREAS**, the Order Declaring Statewide Judicial Emergency has been extended five (5) times, and the current order (Fifth Order Extending Declaration of Statewide Judicial Emergency) expires on September 10<sup>th</sup>, 2020.

**WHEREAS**, the Second Order Extending Declaration of Statewide Judicial Emergency issued on May 11<sup>th</sup>, 2020, requires courts, prior to holding in-person proceedings, develop and adopt written guidelines for conducting court in a manner that protects the health, safety, and well-being of judges, court personnel, staff, attorneys, litigants, and the public.

**NOW THEREFORE**, the Honorable LaVerne C. Ogletree, Judge of the Magistrate Court of Greene County, does hereby adopt the following written guidelines for conducting court and resuming in-person proceedings:

However, the Court asks that defendants refrain from bringing non-essential persons (i.e. children, family members, friends) into the courthouse.

5. Defendants should arrive at the courthouse at least fifteen (15) minutes before the start of court in order to allow time for screening prior to entering the courtroom.
6. All persons entering the courthouse for magistrate court are required to wear a mask or other face covering. Accordingly, all persons should arrive for court prepared with a mask. The Court will provide a mask to persons who appear for court and do not have their own. If a defendant, attorney, or subpoenaed witness has a medical issue limiting and/or preventing the use of a mask or other face covering, he/she shall notify the Clerk of Court at least five (5) days prior to the court date. The affected case shall automatically be continued to a later court date, and will be specially set or held remotely via Zoom video conferencing.

Any person who answers "yes" to any one (1) of the three (3) questions hereinabove shall be denied entry into the courtroom. If such person is a defendant, attorney, or subpoenaed witness, the affected case shall automatically be continued to a later court date.
10. Further, prior to entering the courtroom, designated court personnel shall take each person's temperature using a no-touch thermometer. Any person with a fever of 100.0 degrees or higher shall be denied entry into the courtroom. If such person is a defendant, attorney, or subpoenaed witness, the affected case shall automatically be continued to a later court date.
11. Shaking hands and other unnecessary person-to-person contact is strictly prohibited.
12. All persons shall maintain a distance of at least six (6) feet from each other at all times.
13. Seating is restricted to every other bench (i.e. leaving one (1) empty bench between persons), starting with the first bench at the front of the courtroom. Further, only two (2) persons are permitted per bench, and such persons must sit at opposite ends of the bench.
14. Counsel shall sit at the tables located at the front of the courtroom.
15. All persons shall remain seated unless permitted to approach the prosecuting attorney, public defender, Clerk of Court, or the bench by the Judge. Persons shall not approach the bench or go beyond counsel tables without permission from the Court.
