APPENDIX B

IN THE SUPERIOR COURT OF JEFF DAVIS COUNTY STATE OF GEORGIA

Please find enclosed a summons for Grand Jury/Jury service. As you may know, the criminal justice system has been largely shut down since March 13, 2020 due to the COVID-19 crisis. Our Supreme Court, in an order dated September 10, 2020, has announced that Grand Juries in our state may resume so long as very specific steps are in place to ensure the safety of our citizens.

On behalf of the judges of this circuit, the clerks of this circuit, law enforcement of this circuit, the Office of the District Attorney, the victims of crime and the accused, we are grateful that you are willing to sacrifice your time to meet this civic obligation. We take your safety and physical health seriously. The following are some of the guidelines put in place that will assist in keeping you safe while serving on the Grand Jury.

- Upon receipt of your summons, please call the Jeff Davis County Clerk of Superior Court at 912-375-6615 and provide your phone number to the Clerk. This way we will be able to contact you should something change between the day you received your notice and the scheduled day of Grand Jury.
- To ensure your safety, the number of persons reporting for jury selection is reduced and reporting times are staggered. To allow for sufficient time and space to check individuals into the jury selection facility, please plan to arrive at the facility at least 30 minutes prior to your scheduled reporting time.
- As you come to the front of the courthouse, you will be met outside by bailiffs who will ask you a series of questions to ensure that you are not suffering from any symptoms of the COVID-19 virus and to determine whether you have been exposed to anyone with the COVID-19 virus. Your temperature will be taken.
- All persons entering the facility will be required to wear a face mask; or, if you have a medical reason you cannot wear a mask, you must wear a transparent face shield. If you do not have one, the county will provide one for you. Out of respect for you, the courthouse staff and those particularly involved in the Grand Jury process will be wearing masks as well.

APPENDIX B

- The Brunswick Judicial Circuit's COVID-19 Trial Resumption Plan¹ will be observed and enforced at all times. This includes social distancing requirements, limiting the number of persons in the facility, hand sanitizing stations throughout the facility, and the requirement to wear a mask at all times.
- There are marked areas in the courtroom that meet the requirements as set out by the Supreme Court and the Brunswick Judicial Circuit. Please sit in the marked areas. This will allow for sufficient distance between the individual jurors.
- The courtroom will be sanitized prior to your arrival and throughout the day.

The criminal justice system cannot function without the involvement of our citizens. We need you. We recognize that there may be reasons why you believe that you cannot serve; however, the legal reasons to be excused from jury service are limited. If you have any concerns, please do not hesitate to contact your Clerk of Court at 912-375-6615.
