### **RABUN COUNTY GUIDE FOR RESUMING JURY TRIALS**

---

**November 20, 2020**

#### **COMMITTEE MEMBERS:**

- Russell W. Smith, Chief Judge of Superior Court – Committee Chair
- George Christian, District Attorney
- Drew Powell, Chief Public Defender
- Holly Henry-Perry, Clerk of Superior Court
- Chad Nichols, Rabun County Sheriff
- Zachary Taylor, M.D., Acting Director, Georgia Department of Public Health, District 2
- L. Allyn Stockton, Jr.
- R. Bruce Russell, Jr.
- Darrin Giles, Rabun County Administrator

The members of the Rabun County Covid-19 Jury Committee established by the Judges of the Mountain Judicial Circuit Superior Court pursuant to a Statewide Judicial Emergency order issued by the Honorable Harold Melton, Chief Justice of the Georgia Supreme Court have convened, inspected and considered the available facilities and infrastructure, consulted with the medical and/or public health officials who are members of the Committee and consistent with the Order of the Chief Justice and the Guidelines promulgated by the Judicial Covid-19 Task Force, having endeavored to develop a plan for resuming jury trials which ensures the health , safety and constitutional protections of all participants in the judicial system, including

jurors and potential jurors, litigants, witnesses, lawyers, judges, court personnel and the public.

The Committee met as a whole on at least two occasions and communicated regularly regarding the subject of the report by email. The report was adopted by email consent of all committee members prior to the date hereof. The Chief Judge of each court that conducts jury trials will decide whether to fully adopt or amend the portions of the committee's recommended plan that are applicable to their court and will then incorporate a final jury trial plan into the court's written operating guidelines for in-person proceedings.

**I. LOCATION OF FACILITIES FOR JURY ASSEMBLY, VOIR DIRE AND JURY TRIALS**

Jury Assembly, Voir Dire and Jury Trials where a 12-person jury is required by law shall take place at the Rabun County Civic Center, subject to the designation by the Commission by resolution of such facility. The Civic Center is a 9,000 square foot facility owned and operated by the Rabun County Board of Commissioners.

The "cafeteria" located in the basement of the Civic Center will be used for juror breaks, deliberations, and when matters must be taken up outside of the jurors' presence. If a no location within the facility can be identified, witnesses will wait in the Courthouse until they are called to testify and they will be escorted to the Civic Center.

The Committee identified the Civic Center as a suitable location because it has more than adequate space to allow social distancing of all persons in attendance; adequate restroom facilities; a second room large enough to accommodate all of the jurors when matters must be taken up outside of their presence; adequate parking; and unobstructed interior space which can be easily arranged to provide for the seating of the judge, jurors, attorneys, litigants, witnesses and the public. Additionally, the Center is located within walking distance of the Courthouse.

So long as social-distancing may be maintained, trials of misdemeanor cases where a 6-person jury may be empaneled, may be held in the courthouse, with the jurors using the front meeting room for breaks and deliberations in the event that the jury room is not large enough to allow for social distancing.

## **II. GENERAL PUBLIC HEALTH AND SAFETY GUIDELINES**

The following guidelines shall be in force at all times during jury assembly, voir dire, and trial:

### **A. Sanitization Procedures**

All common areas of the facility, including the courtrooms, hallways, bathrooms and elevators shall be sanitized in accordance with the CDC publication Guidance for Cleaning and Disinfecting Public Spaces, Workplaces, Businesses, Schools and Homes by use of approved cleaning products and routine disinfection of frequently touched surfaces. Courtrooms shall be cleaned daily by cleaning staff after or before court is held. Before leaving when their business is concluded, Litigants, Attorneys, and Court Personnel shall wipe down counsel tables and chairs that they have used with provided disinfectant wipes or spray and paper towels. To the extent practicable the published CDC guidance regarding building ventilation shall also be followed.

### **B. Face-Covering Requirements**

All visitors and court personnel, including jurors, litigants, witnesses, attorneys, security officers, bailiffs and the public are required to wear face-coverings to enter the courthouse, and they must remain in proper position over nose and mouth, unless instructed by the judge to remove them. All courthouse deputies, bailiffs, and other staff will remain vigilant and politely ask anybody in the courthouse seen without a mask to put it back on. Any jurors that arrive without a mask will be provided one at the checkpoint.

Jurors will be provided a KN-95 masks (if available) for use during the proceedings. At the beginning of each proceeding, a representative from the Health Department will provide all of the participants, including the jurors, with a tutorial on the proper use, fit and handling of their face-covering. "Gators" and bandanas are not acceptable face-coverings for use by those who are present in the courtroom or a facility being used as a courtroom.

In order to ensure that a witness's face can be clearly seen, witnesses shall testify without a face-covering from behind a plexi-glass shield or may wear a face-shield. In the event that medical-grade "clear masks" are available, such masks shall be worn by the witnesses. If sufficient quantity of the clear-masks is available, such masks may be worn by the attorneys during their closing argument.

### **C. Social-Distancing Protocol**

The seating for all visitors, participants, court personnel, and the public shall be arranged such that they are located at least six (6) feet from all other persons. Provided they remain properly masked, Counsel may sit closer to their clients in order to communicate as necessary. The Court will provide breaks as may be necessary to allow the attorneys to meet privately with their clients in the rooms available in the Courthouse which will allow them to have confidential discussions while socially-distancing.

### **D. Posting of Notice at the Entrance to the Facility**

A conspicuous written notice shall be posted at the entrance to the Facility at any time when it is being used as a judicial facility. The notice shall state that persons who are currently experiencing the symptoms of Covid-19, have experienced such symptoms within 14 days prior, have been exposed to Covid-19, or have tested positive for the virus, are not permitted to enter the facility. The notice shall further provide that any such persons who have necessary business involving the proceedings shall contact the Clerk of Court or the Court for direction as to how they participate by virtual means (or how they may be otherwise accommodated).

### **E. Notification of Stakeholders that a Courthouse visitor of Courthouse personnel have tested positive for the Coronavirus**

Each judge, elected official, or other public official with an office in a courthouse shall notify the County Manager or Administrator and Chief Judge of any instance where they are notified that an employee working in the courthouse or courthouse visitor has been diagnosed with Covid-19, is awaiting the results of Covid-19 testing, or has reported to the supervising official that they are experiencing symptoms of Covid-19. The Chief Judge or County Manager/Administrator shall then immediately notify the other officials or department heads with offices in the facility, so that they can determine whether any of their employees have had contact with the other employee which would put them at risk of contracting the virus.

Current Department of Public Health Guidelines do not require the isolation or quarantine of court personnel who have been exposed to the virus as they are considered as essential or critical workers. Those guidelines require, instead, that such exposed workers must mask, distance, and monitor their temperature and symptoms. However, because of the danger posed

to the public and other employees working in a court facility, in the event that a judge, public official, officer or supervisor becomes aware that an employee has been exposed to the virus within the meaning of the CDC/DPH guidelines, that employee SHALL NOT enter the court facility nor shall they have any contact with other court personnel until their supervisor has consulted with the Chief Judge and Public Health officials.

### **Miscellaneous Provisions**

Hand Sanitizer shall be available at the entrance and throughout the facility. The temperature of all persons entering the facility shall be checked and anyone who has a temperature of 100.4 degrees Fahrenheit or greater shall not be permitted to enter.

Crucial to the health and safety provisions of the plan are the specific guidelines set forth below which provide:

- For the excusal of any prospective jurors who are considered to be “vulnerable” to serious complications from the Covid-19 virus;
- For inquiry into whether a prospective juror is experiencing any of the symptoms of Covid-19 or has been exposed to the virus;
- For the notification of stakeholders when courthouse personnel or visitors to the facility have tested positive for the virus; and
- For the procedure to be followed when a juror, litigant, attorney or other participant present during the proceedings experiences possible Covid-19 symptoms or has an exposure to the virus during the trial.

## **III. SPECIFIC PROCEDURES FOR THE SUMMONING, SELECTION, AND EMPANELLING OF JURORS AND TRIAL**

### **A. Summons**

When jurors are initially summoned, whether for grand jury or trial jury, the Clerk will mail:

- A Summons directing jurors to report to the appropriate facility, with staggered report times. It will also provide a contact person to call with health-related questions or concerns.
- A COVID-19 letter from the Court, signed by all the Judges, or from the Clerk that expresses how much they are appreciated, assures them that the court understands their concerns for safety.

- A COVID-19 Insert highlighting the steps taken by the courts to ensure their health and safety. A modified excusal request form that temporarily waives the requirement that it be notarized before submission.
- A COVID-19 Questionnaire that includes their contact information (name, address, cell phone number, and email) and a series of questions to determine whether they are in a category of persons identified by the CDC as being at an increased risk for severe illness from COVID-19.
- A questionnaire to be developed cooperatively by the District Attorney and the Defense Bar, including the Public Defender, that requests information generally asked by attorneys when selecting a jury. In civil cases, the attorneys may agree on the form of a questionnaire to be provided to the jurors at the time that they are summoned.

### **B. Excusals and/or Deferrals**

Prior to jurors reporting on the date of their service, the Court and Clerk's Office will work cooperatively to determine whether any prospective juror should be excused or have their service deferred due to medical concerns. The Clerk shall be authorized to excuse any prospective juror who:

- Meets the statutory criteria for excusal or deferral;
- Is considered to be “vulnerable” for complications from the Coronavirus;
- Reports that they are experiencing any of the symptoms of the Coronavirus;
- Reports that they have been exposed to the virus; or
- Reports that they have tested positive for the virus or have experienced the symptoms of the virus within 14 days prior to the date they are scheduled to report.

Prospective jurors will be provided a contact number and shall be instructed to call within 48 hours in advance of the appearance date to determine when and if they are to appear and to confirm that they are not experiencing any symptoms of Covid-19 and have not been exposed to the virus. . In the event that the juror reports that within 14 days prior to the date they would be required to report they have experienced the

symptoms of Covid-19, have received a positive test for the virus or have been exposed to the virus and certifies such fact in a manner proscribed by the Clerk, they shall be excused.

Any questions concerning an excusal or deferral shall be addressed by the Clerk to the presiding judge.

### **C. Check-In**

On the morning of service, jurors will encounter the following safety precautions:

- Staggered Reporting Times - Because of the potential bottleneck at security and check-in, juror summons will include staggered report times. Jurors reporting more than five minutes before their summoned time will not be checked in and directed to wait outside until their report time arrives.
- Health Screenings. Everyone entering the facility will be screened for illness and COVID- 19 exposure. Any prospective juror prohibited from entering on the date of their service will be instructed to fill out an information form that includes their name, address, phone number, and juror number. The form will be given to the clerk so that service can be deferred.
  - If any juror reports having been diagnosed with COVID-19 in the previous 14 days, or in contact over the previous 14 days with someone who has been diagnosed with COVID-19, or that they are concerned they may have been exposed or infected, they will not be permitted to enter.
  - If any juror reports having experienced a persistent cough, difficulty breathing or fever above 100.4 degrees within the previous three days, they will not be permitted to enter.

### **D. Jury Selection**

Jury Selection (voir dire) will take place in panels of 12 persons, with only one panel present in the same room at the same time.

### **E. Trial**

#### **1. General Protocols**

- a) The protocols set forth above relating to social-distancing, face-coverings and sanitization will apply at all times during the trial.
- b) Jurors will be provided with a point of contact if potentially exposed to COVID-19 or experiencing symptoms of COVID-19. Jurors reporting exposure to COVID-19 or experiencing symptoms. Any juror who does not pass the temperature check or COVID screening questions will be instructed to return to their vehicle outside of the facility and the Clerk will speak with them by phone with instructions as to how they should proceed after speaking to the judge if necessary.
- c) Jurors selected to serve shall be instructed to contact the Clerk if they learn that they were exposed to the virus prior to or during the trial or if they experience any Covid-19 symptoms. Such jurors will be excused and instructed not to report and to contact the Health Department. If available, rapid testing will be made available to those jurors. The remaining jurors will be notified of the event without naming the excused juror and they will also be offered the opportunity to have a rapid test. In the event that there is a concern as to whether any other jurors should be excused or whether another participant may have to be isolated or quarantined requiring a continuance or mistrial, the Court and the attorneys will consult with the District Health Director or their designee prior to making a decision.

## **2. Evidence Presentation and Examination of Witnesses**

Documentary exhibits shall be tendered, admitted, and published to the jury in electronic format. Exhibits shall be displayed to the jury on the large screen television placed in the courtroom or through the courtroom projection system.

In the event that an item of physical evidence is admitted, anyone handling the exhibit shall wear gloves. If the item of physical evidence is passed among the jurors for examination, they shall be provided with gloves which will be worn while they are handling the item and disposed of immediately afterwards.

Attorneys will present their case from the podium and will seek permission from the Court before moving freely about the courtroom. Otherwise, they will remain at

counsel table and the podium. Attorneys will be provided wipes and will be responsible for wiping down the podium, and anything else they touched, before returning to their table. They will also be asked to wipe down their table at the end of the day.

The bailiff will have a supply table with extra disposable masks, hand sanitizer, paper towels, gloves, tissues, juror pads and pencils, bottled water, and disinfecting spray. Jurors should keep up with their own items, so as to prevent sharing.

Jurors will be assigned a seat by the bailiffs and should use the same seating area for the duration of the trial.

Jurors will be permitted to leave at lunchtime and return, or the judge may decide to bring in a meal.

### **3. Timing of Resumption of Jury Trials**

The 2021 Circuit Calendar provides for criminal jury trials to commence in Rabun County in January 2021. Subject to a change in the public health situation in the community, the Committee believes that with the implementation of these guidelines jury trials can safely commence as scheduled.

As set forth in the most recent prior Statewide Declaration of Judicial Emergency issued by the Chief Justice, priority will be given to the trial of criminal cases, specifically those where a demand for speedy trial has been filed or where the Defendant is in custody. Civil cases, particularly pending condemnation cases, may be scheduled as “back-up” to the criminal trial calendar.

Priority will be given to cases which can be tried in less than a week. Longer trials will, to the extent possible, be scheduled for trial later in the year.

Prior to the first jury trial scheduled to take place while this plan is in effect, a “run-through/mock trial” may be scheduled with available members of the committee and other courthouse personnel substituting for the litigants, attorneys, and jurors. The participants should simulate the location of the participants during each portion of the trial process, including jury selection, opening statements, examination of witnesses, the excusal of jurors to the jury-assembly room, and closing argument. All participants in the “run-through/mock trial” will use the required precautions set forth above. Any feedback from the participants may be provided to the Chair of the Jury Committee and shared among the committee

members.

The timing of trials may necessarily be affected by the public health circumstances existing at the time that proceedings are scheduled. In the event that there is any question as to whether trials may safely take place, the judges of the effected court will consult with the District Health Director before making the decision as to whether scheduled trials should be reset.

#### **4. Protection of Constitutional and Statutory Rights for Litigants, Witnesses, Victims and Observers**

In the event that the courtroom seating capacity is insufficient to accommodate all those persons who wish to attend, priority for courtroom seating in criminal cases shall be given to the victim or victim's family and the family of the Defendant and then to the public on a first-come, first-served basis. Those who cannot be accommodated shall be provided with access to view the proceedings remotely. Remote access may be provided by either "broadcast" of the proceeding to a monitor in another location within the facility or in the Courthouse where additional seating is available or by providing remote access to a link whereby the proceedings may be viewed online, or both. In any event where members of the public are accommodated by remote access, the proceedings shall be accessible with "live" sound and video.

#### **5. Public Notification of Public Health Precautions Taken by the Court**

In addition to the provisions set forth above, the Chief Judge will issue a press release outlining the terms of the plan to media outlets in the Circuit, including local radio stations, newspapers, and internet news providers. Additionally, the judges and other available Committee members may participate in community education opportunities such as speaking to community organizations and the like.
