By Order entered September 10, 2020, Chief Supreme Court Judge Harold Melton, in his Sixth Order Extending Statewide Judicial Order, directed the Chief Judge of each Judicial Circuit to convene for each county in their circuit, a local committee of judicial system participants to develop a plan for safely resuming jury trials in the county, as further specified in the “Guidance for Local Committees on Resuming Jury Trials”. That Order directed that court operating guidelines for in-person proceedings incorporating final jury trial plans shall be submitted to the Administrative Office of the Courts (AOC) as soon as possible and before the jury trial process begins.

These plans seek to apply previously adopted “COVID-19 Safe Operating Guidelines” to the specific context of jury proceedings.

The Committee met as a whole on 2 occasions, October 15, 2020, October 23, 2020. This report was adopted by email consent of all committee members.

GENERAL CONSIDERATIONS

Summoning the Jury Pool

This Plan contemplates the summoning of prospective jurors for one civil or criminal jury trial. The designated prospective Jury Assembly Area (JAA) will be the Central High School Gymnasium located at 945 N. Washington Avenue, Talbotton, Georgia 31827.

When jurors are initially summoned, the Clerk will create a Summons Packet that will be mailed to prospective jurors as follows:

- The Summons shall direct jurors to report to the Central High School Gymnasium at the appointed day and time. It will also provide contact information for jurors to call with health-related questions or concerns. Information will also be posted on the Superior Court Clerk’s website at www.Talbotclerkofcourt.com.
- The Summons Packet will contain information expressing the Court’s appreciation for the jurors’ service, assuring those jurors of the Court’s concerns for their safety, informing those jurors in summary form of the steps that will be taken to protect them while serving as jurors.
- The Summons Packet will contain a questionnaire asking for the jurors’ contact information (name, address, cell phone number, and email), other questions designed to reduce the time required by jury selection, and a series of questions to determine whether they are in a category of persons identified by the CDC as being at an increased risk for severe illness from COVID-19.
- Jurors will be sent an Excusal Request Form that temporarily waives the requirement that it be notarized before submission.

JAA and Courthouse Physical Space Preparation

- In addition to the on-going extra-ordinary sanitizing and cleaning of the interior space of the JAA and the Talbot County Courthouse, prior to the arrival of summoned jurors, those areas that jurors will come in contact with, will be sanitized and cleaned adequately.
- HVAC and air handling components – The courthouse HVAC and air handling system will be monitored by facilities maintenance. The filters will be checked and changed regularly based on current recommended intervals.

- Automatic Hand Sanitizing Stations – Automatic no touch hand sanitizer dispensers will be available prior to and after security check-in, as well as throughout the courthouse and outside the courtrooms.
- Protocols for Masks and Face Coverings – All entrants of the courthouse shall be required to wear masks or other face coverings to entering these buildings. Masks and face coverings must remain in proper position over nose and mouth, unless otherwise instructed by the judge to remove them. Any person that arrives without a mask will be provided one at the checkpoint. Any visitor that refuses to wear a mask will be prohibited from entering. Signs outside the courthouse shall inform entrants of mask and face covering requirements.
- Protocols for Social Distancing – Outside and inside the courthouse, signs and notices will be posted in prominent places to remind visitors to socially distance. Proper socially distanced seating will be clearly delineated.

Security at Check-In At The JAA

On the morning of service, jurors will encounter the following safety and security precautions:

- Controlled check-in – Because of the potential bottlenecks and long lines at security and check-in, juror summons will include staggered report times. Jurors reporting before their summoned time will not be checked in and directed to wait outside until their report time arrives.
- Health Screenings. Everyone entering the JAA or the courthouse will be screened for illness and COVID-19 exposure and will sign in with their name, address, and phone number for the purpose of contact tracing.
- If any prospective juror reports having been diagnosed with COVID-19 in the previous 14 days, or in contact over the previous 14 days with someone who has been diagnosed with COVID-19, or that they are concerned they may have been exposed or infected, they will not be permitted to enter and will be instructed to report to an area designated for isolation and the trial judge and the Superior Court Clerk will be immediately notified to consider releasing the prospective juror from service.
- If any prospective juror reports having experienced a persistent cough, difficulty breathing or fever above 100.4 degrees within the previous three days, they will not be permitted to enter and will be instructed to report to an area designated for isolation and the trial judge and the Superior Court Clerk will be immediately notified to consider releasing the prospective juror from service.
- Social Distancing – The Jury Assembly Area (JAA) will have seats that will be properly marked for social distancing.
- Physical Barriers – The Superior Court Clerk and the Sheriff's office along with their staff will check in jurors at the JAA and the courthouse, utilizing signage and barriers to keep a distance of 6 ft between jurors and also requiring the wearing of masks or face coverings.
- Clear Masks/Face shields – If available, court personnel have use of transparent face shields or clear masks to accommodate hearing-impaired or language-challenged jurors.
- Nightly Deep Cleaning – Building Maintenance will sanitize the JAA and other publicly used areas each evening.

Excusals and/or Deferrals

Prior to jurors reporting on the date of their service, the court and Clerk's office will work cooperatively to determine whether any prospective juror should be excused or have their service deferred due to medical concerns. Any deferral or excusal will be solely at the discretion of and upon approval of the assigned judge and/or the Superior Court Clerk.

- The existing Excusal Form will be modified to temporarily waive the requirement that it be notarized before submission.

The Summons Packet to be mailed to the prospective jurors will instruct prospective jurors to call a phone number if they have COVID-19 related questions and/or are seeking an excusal for COVID-19 related reasons. They will also instruct prospective jurors that in order to be considered for a deferral or excusal, the form must be returned 10 days prior to their date of service.

- The Talbot County Superior Court Clerk’s Office will receive phone calls, answer any questions and vet any request before sending the person’s contact information to the assigned judge’s office.
- Staff will be available by phone on the day of the reporting as well, so that prospective jurors who wake up feeling ill can receive instructions *before* coming to the courthouse.

The Clerk will summon approximately 120 prospective jurors.

- Expected reporting percentages are unknown at this time, but the reporting times below will allow for an orderly check-in.
 - 8:30am – Jurors 1-50
 - 9:00am – Jurors 51-100
 - 9:30pm – Jurors 101-120
- Seating of the jury pool
All prospective jurors that make up the jury pool will be seated in an appropriate area of the JAA where the jurors can social distance.
- Morning Check-In
 - After all jurors are checked-in, The Superior Court Clerk will notify the assigned judge.
 - Non-qualified jurors will be excused and their service concluded.
 - Remaining jurors will be sworn in and given further instructions from the Clerk.
- An appropriate number of Sheriff’s deputies and bailiffs will provide support in all of the procedures outlined.

Jury Selection

After the remaining qualified jurors have been sworn in, and after instructions from the Clerk, the qualified jurors will transport themselves from the JAA to the Talbot County Courthouse for jury selection.

Upon arriving at the courthouse, the jury will be met by bailiffs and/or sheriff’s deputies that will instruct them to report to the Superior Court courtroom to be seated in a social distanced manner in the designated area and await further instructions from the court.

Jury Selection (voir dire) will take place in the Talbot County Courthouse in the Superior Court courtroom. However, procedures may be modified by the Judge and the clerk’s office, with appropriate communication to the jurors.

OCGA § 15-12-131 requires that the court place a panel of 12 in the jury box “upon the request of either party.” The jury box, under this plan, will be a part the traditional gallery.

Once the Jury has been chosen by voir dire, the prospective jurors that were not chosen to serve on the jury will be given further instructions by the Court or the Superior Court Clerk.

Jurors selected will be seated in the “jury box” and given further instructions for service.

Courtroom Layout

The courtroom gallery will be converted into the jury box, and jurors placed at seats marked every 6 feet in order to comply with social distancing requirements.

- Court Personnel will be stationed in accordance with CDC guidelines.
- The court reporter will be located in an area of the court that allows the court reporter to see and hear any participant of the trial that is speaking.
- Witnesses will be placed in the witness box, the traditional jury box or any other place the court feels necessary for the jury and participants to be able to see and hear the witness without impediment.
- Tables will be arranged so that the jury will be able to see and hear the prosecution and defense attorneys.
- Witnesses will be positioned such that counsel, the parties, and Jurors will be able to see and hear the witness. Jurors will be instructed to let the Judge know if they are having any difficulty hearing or seeing.
- Attorneys will be asked to speak so that everyone in the courtroom is able to hear the proceedings. If available, attorneys will use wireless microphones that can be attached in a way as to not require them to hold the microphone. If not available, all participants will use wired microphones to ensure that the jury will be able to hear the proceedings.

TRIAL

General Protocols

The assigned trial judge will conduct proceedings in accordance with all constitutional and statutory requirements, seeking to ensure a fair and impartial trial while doing so within the confines of public health guidelines.

- Masks are required unless otherwise ordered by the Court. In all instances CDC guidelines will be followed.
- Judges, court staff, bailiffs, lawyers, and jurors will all wear masks during the trial unless otherwise instructed by the judge.
- At the sole discretion and judgment of the presiding judge, the judge, trial participants and jurors may be permitted to remove their masks while speaking.
- Witnesses will testify while wearing a clear face mask.
- The judge shall provide jurors with a point of contact if potentially exposed to COVID-19 or experiencing symptoms of COVID-19. They should not be required to report.
- Any juror who does not pass the temperature check or COVID screening questions will be brought to the Judge's attention immediately and given further instructions.

Presentation and Handling of Evidence

Courtroom evidence should be displayed to the jurors in a digital format whenever possible, making use of appropriately sized television monitors to be able to be seen by participants.

- Witnesses will testify wearing a clear face mask.
- The lectern will be easily moved in the event trial participants are unable to see and hear. Attorneys will be asked to display PDFs, digital photos, and PowerPoint presentations on television monitors or other media mounted in the courtroom. A document camera should also be used display images of any paper document evidence.

- There will be certain items that cannot be displayed in a digital format and the attorneys will be directed to seek guidance from the Court.
- Attorneys will present their case from the lectern and seek permission from the Court before moving freely about the courtroom. Otherwise, they will remain at counsel table and the lectern.
- Attorneys will be provided wipes and will be responsible for wiping down the lectern, and anything else they touched, before returning to their table. They will also be asked to wipe down their table at the end of the day.

Jury Deliberation Room

Existing jury deliberation rooms will not be utilized due to the space restrictions. Instead, jurors will use the courtroom as a jury deliberation room.

- The Jury Deliberation Room (courtroom) will be arranged so that jurors are socially distanced.
 - The bailiff will have a supply table with extra disposable masks, hand sanitizer, paper towels, gloves, tissues, juror pads and pencils, bottled water, and disinfecting spray. Jurors should keep up with their own items, so as to prevent sharing.
 - Jurors will be assigned a seat by the bailiffs and should use the same seating area for the duration of the trial.
 - Jurors may be permitted to leave at lunchtime and return, at the discretion of the judge, or the judge may decide to bring in meals for the Jurors. Jurors will be permitted to bring in their own food, however there will be no community refrigerator available.
 - Jurors with dietary restrictions, or who prefer to bring their own food, should do so in a personal size cooler bag which will remain in the jury room.
 - Jurors will abide by social distancing guidelines when consuming food.
 - Bailiffs will be stationed outside of each door to the jury room and shall keep the area secure. Bailiffs will escort jurors to the closest restrooms.
- Jury rooms will be cleaned and disinfected nightly.

Public Viewing Rooms

Due to the jury being seated in a section of the traditional gallery, some of the public may not be able to attend and view the proceedings in person. The “jail benches” may be used to accommodate participants families and the general public.

- A closed-circuit video stream may be set up so that a camera will be aimed at the well of the courtroom.
- The stream will be displayed in rooms to be identified, where members of the public can sit and view the trial.
- Seating in the viewing rooms will be clearly marked 6 feet apart, unless attendees are from the same household. All persons in the room must keep their masks on at all times. A deputy will be stationed in the viewing rooms.
