

Below are the precautions Commerce Municipal Court is taking due to COVID-19.

Only 25 people are allowed in the court room at a time and they're all safely 6 feet apart while taking pleas and when brought before the judge. All court personnel and defendants are required to wear a mask upon entry of the building. There are several hand sanitizing stations available as well as restrooms for handwashing. The waiting area for probationers has chairs 6 feet apart for defendants waiting to speak with their probation officer. The pay area also has chairs available 6 feet apart to wait for the cashier if needed.

Thanks,

*Mary Beth Echols*
