IN THE SUPERIOR COURT OF DOUGLAS COUNTY

STATE OF GEORGIA

SUPERIOR/STATE COURT
DOUGLAS COUNTY, GA
ANNETTA D. STEMBRIDGE
CLERK

SECOND REVISED ORDER REGARDING COURT PROCEDURES DUE TO
COVID-19 PANDEMIC FOR THE DOUGLAS JUDICIAL CIRCUIT

WHEREAS Brian Kemp, the Governor of the State of Georgia has
declared a state of emergency due to the coronavirus COVID-19 Pandemic;

WHEREAS, Harold D. Melton, the Chief Justice of the Georgia Supreme
Court, has found a State of Judicial Emergency and has issued multiple orders
directing the Chief Judge of each Superior Court in each judicial circuit to
establish court policies and procedures during the pandemic to ensure public
health and safety in the continued operation of all classes of courts including the
provision of "comprehensive, written guidelines" that specify "who shall be
admitted to the courthouse and courtroom and how public health guidance will be
followed," pursuant to the authority granted this court by OCGA Sections 38-3-61
and 38-3-62 this court issues the following Order and Policy regarding
procedures to be followed at the Douglas County Courthouse until further Order.
This order is intended to be consistent with the Douglas County Commissioners'
Return to Work Guidelines they have recently adopted, HOWEVER, due to the
recent resurgence of COVID-19 cases in Douglas County, the court reimposes
the mask requirement for all persons in the Douglas County Courthouse..

1. No person shall be permitted entry into the Douglas County Courthouse

RECORDED IN BOOK 104

58

who has tested positive for COVID-19 and has not subsequently been medically cleared or has symptoms thereof. Those symptoms are fever, cough, shortness of breath, chills, repeated shaking, headache, loss of sense of taste, loss of sense of smell or sore throat.

2. No person shall be permitted entry into the Douglas County Courthouse at any manned security station who is not wearing a protective face covering such as a surgical mask, cloth, bandanna, scarf or other covering over their nose and mouth, which must be worn at all times in courtrooms and public areas. Once any person has left a public area of the courthouse and entered the office of any government official within the building, being a visitor or staff member, it is within the discretion of that elected official or department head to require or not require face coverings and other health related procedures within those offices.
3. The Sheriff of Douglas County is directed to refuse admittance to the courthouse to persons who are unwilling to comply with these directions and document that said person was turned away on a form provided by the court if that person had court related business at that time. The Sheriff is further directed to temperature scan each person seeking entry into the courthouse and refuse admittance to anyone who has a temperature at 100.4 degrees or more.
4. All persons within public areas and courtrooms of the Douglas County Courthouse must conduct themselves to remain at least six feet "socially distant" from other persons during their time at the courthouse, and the Sheriff is directed to monitor traffic flow in and out of the courthouse and volume of persons within the public areas at all times.

and if in the Sheriff or his deputy's discretion the number of persons is such that social distancing cannot be maintained, no further admittance will be allowed until enough persons have conducted their business and left so that social distance can be maintained.

5. The respective Judges of the Superior, State, Magistrate, Juvenile, and Probate Courts of this Circuit shall conduct all court proceedings when possible via videoconference. When it is not possible to conduct a court proceeding by videoconference, the courts have discretion to conduct in person court proceedings, but must limit the number of persons admitted to the courtroom to maintain 6 foot social distancing at all times while at the same time allowing the public to attend court. This will require each court to stagger court proceedings. All persons inside courtrooms shall be required to wear a face covering except for the judge if the judge is on the bench at a distance from the participants.
6. If any class of court plans a court day where there will be a high volume of participants, the Chief Judge of that Court will be required to obtain the approval of the Chief Judge of the Superior Court of this Judicial Circuit before doing so. It will be necessary to do this to give the other courts an opportunity to defer their proceedings to accommodate the needs of that court on that particular day, to accomplish the social distancing required by this Order.
7. The court directs all persons to wash or sanitize their hands using personal equipment or the restrooms and sanitizer stations located in public areas upon entering the building and the court directs that the

County Board of Commissioners is to ensure that these materials are available to the public in ample supply.

8. The court directs this Order to be prominently posted at all courthouse entrances; provided to all attorneys in the local bar by electronic means; posted on the Douglas County website; published prominently in the Douglas County Sentinel at the expense of Douglas County; and, this order shall be enforced by the contempt powers of the Court. It is also to be forwarded to the Administrative Office of the Courts.

SO ORDERED this August 2, 2021.

DAVID T. EMERSON
Chief Judge of Superior Court
Douglas Judicial Circuit

Cc: Tim Pounds, Douglas County Sheriff
